

Besoek die
Fakulteit Ingenieurswese

The background is a complex collage of engineering and technology-related images. It includes several large construction cranes, two large satellite dishes, two orange helicopters, and various technical drawings and blueprints. In the center, a young man and woman are smiling. The man is wearing a green polo shirt and has his arms crossed. The woman is wearing a pink top. They are positioned in front of a large, stylized yellow and green circular graphic that resembles a gear or a stylized 'e'.
