

STELLENBOSCH UNIVERSITY'S RESPONSE TO THE KHAMPEPE REPORT.

- The Report's analysis, findings and recommendations about racism on campus and its links with other markers of exclusion such as class, gender, sexual orientation, religion, culture, etc. are at the centre of the Response
- The Response emphasises the Constitutional values of non-racism, non-sexism, gender equality, respect and dignity. The Response is based on inviting inclusive dialogue and participation that emphasise co-ownership and a home for all
- The focus is on **implementation**
- Further unlock the university's societal public/common good role with respect to SU's Vision 2040's future-focused, Africa-centred identity.

Committee for the Institutional Response to the Commission's Recommendations (CIRCoRe)

- Led by Rector and Vice-Rector-SITP as Secundus
- 15 person committee, plus chairs of the workstreams
- 2 year organisational transformation approach based on a short, medium and long-term implementation approach
- Input from the campus community and external stakeholders will be fed into the implementation proposal development processes
- Monitoring, evaluation, communications and messaging key
- Develop short, medium and long-term implementation proposals
- The proposals will be fed to Rectorate for implementation

Khampepe Report's recommendations processed by workstreams that will make proposals for implementation
