#Action #4Inclusion

Join Prof Thuli Madonsela In Walking To End Student Debt

On **Saturday 28 November 2020** Prof Madonsela and the Student Representative Council (SRC) Chairperson, Xola Njengele, are leading a trail walk in **Idas Valley** starting from Banhoek Conservancy and ending at Bartinney Tasting Shed.

This event forms part of the **#Action4Inclusion Campaign**, a student funding initiative established earlier this year by the SRC and Prof Madonsela, in an effort to ensure that no student is left behind due to their financial circumstances.

All funds raised at this event will go towards the scrapping of debt for working class and middle-class income household students who are struggling to pay their fees.
