

FACULTY OF EDUCATION

Motivation for continued online learning: Our planning for the rest of the year necessitates us to make decisions now. In the context of ongoing fluidity and uncertainty associated with COVID 19, combined with the fact that our students in the indicated modules do not HAVE to use facilities on campus, the faculty management has decided that the indicated modules will remain online to contribute to reducing the total number of students on campus.

For enquiries, please contact Prof Ronelle Carolissen (Vice-Dean L&T) at rlc2@sun.ac.za or 083 303 5022.
