## VISITING ACADEMICS

Academic staff from international partner institutions as well as other institutions abroad may apply to join Stellenbosch University as a visiting academic.

### **From a Partner Institution**

When academics from partner institutions are invited by a specific environment to visit Stellenbosch University, the following support services can be offered

Accommodation arrangements (and possible partial or full funding thereof)

Airport transport arrangements

Payments of stipends (and possible partial or full funding thereof)

Other settling in support as required.

### **From a Non-Partner Institution**

When academics from non-partner institutions are invited by an environment, one or more of the support services below can be offered:

Stellenbosch University International may assist with accommodation and airport transport arrangements, should the host department request such assistance.

Financial support for these visits will only be considered through a formal process requesting such assistance for the visit.

Support in facilitating the payment of stipends.
