

RE: SENWES GRADUATE PROGRAMME 2018

To whom it may concern,

Senwes is looking for dynamic and ambitious young professionals to join the Senwes family in 2018! We are providing a graduate programme to develop you in various areas of expertise, including the following:

- Agricultural Financing @ Senwes Credit,
- Web Development & Internal Optimisation @ Senwes IT,
- Communications & Public Relations @ Senwes Corporate Marketing, or
- Agricultural Services including Agronomy @ Senwes Innovation & Integration

What you'll need:

The successful candidate should have at least completed (or complete by the end of 2017):

<u>Senwes Credit:</u>	A relevant B-degree in Financial Management or Law.
<u>Senwes IT:</u>	An IT-related NQF Level 7 qualification (3-year IT qualification). Candidates with a relevant Microsoft or SAP Developer / Analyst certification will also be considered.
<u>Senwes Corporate Marketing:</u>	A relevant diploma or B-degree in communications or journalism. The candidate must have excellent writing skills. Tri-lingualism will be an advantage (Afrikaans, English and Sesotho/Tswana).
<u>Senwes Innovation & Integration:</u>	B.Sc. Agric or equivalent qualification Qualifications with Agronomy and Soil Science as major subjects

Important: Aligned with the Senwes Employment Equity Policy, EE candidates will enjoy preference.

Programme Duration:

12 Months, starting early 2018 at Senwes Head Office in Klerksdorp.

Applications:

Candidates are required to apply **online** via the Senwes Career Portal. Alternatively, CV's can be emailed to petri.swart@senwes.co.za or mariza.badenhorst@senwes.co.za.

Regards,

NW Smit
Manager: Talent Management & Organisational Development
