**Department of Afrikaans and Dutch, Stellenbosch University**

## **318 ADVANCED STUDIES IN AFRIKAANS LANGUAGE AND LITERATURE**

Students complete any four of the following components:

- Afrikaans prose after 1970
- Colonial and post-colonial Dutch literature
- Morphology
- Afrikaans editing and Afrikaans translation
- Afrikaans in a multilingual context

Notes:

1. Not all components in Afrikaans and Dutch 318 are necessarily offered every year.
2. A system of flexible assessment is used in Afrikaans and Dutch 318. The composition of the final mark will be provided in writing at the beginning of the year, and students will receive regular feedback on their progress throughout the module.
