Department of Afrikaans and Dutch, Stellenbosch University

348 ADVANCED STUDIES IN AFRIKAANS LANGUAGE AND LITERATURE

Students complete any four of the following components:

- Afrikaans poetry after 1970
- Afrikaans creative writing
- Postmodern Dutch literature
- Afrikaans semantics
- Methodology of Afrikaans language acquisition
- Literary theory

Notes:

1. Not all components in Afrikaans and Dutch 348 are necessarily offered every year.
2. A system of flexible assessment is used in Afrikaans and Dutch 348. The composition of the final mark will be provided in writing at the beginning of the year, and students will receive regular feedback on their progress throughout the module.
