

SOCIAL IMPACT AND TRANSFORMATION SOSIALE IMPAK EN TRANSFORMASIE

15 July 2021

Dear Student

Kindly see below Visual Redress Survey for your participation.

REACTIONS TO VISUAL REDRESS:

The Visual Redress project, in alignment with the draft Visual Redress Policy, is focused on the removal or contextualisation of sensitive artwork or symbols, the introduction of new visual symbols with African centrality as an outcome, updating campus signage, the naming and renaming of buildings or other spaces, and other such initiatives that create a more inclusive, comfortable, and welcoming environment for all.

We are interested in learning the reactions of staff and students to the initiatives that the Visual Redress project has undertaken so far on campus.

These answers will help inform our future projects.

Please take part in the survey:
