1. POSTGRADUATE PROGRAMMES IN ACCOUNTANCY

The School of Accountancy (SoA) offers a Postgraduate Diploma in Accountancy (PGDA) alongside the BAccHons programme. Both programmes are accredited by the South African Institute of Chartered Accountants (SAICA), and the successful completion of either programme will allow the graduate entry to the SAICA Initial Test of Competency (ITC) examination *en route* to the Chartered Accountant (CA) South Africa (SA) qualification.

1.1 *Postgraduate Diploma in Accountancy (PGDA) programme*

The objective of any SAICA accredited Postgraduate programme is to educate students in four specific Accountancy-related fields to enable them to qualify as CAs (SA) ultimately. These fields are Financial Accounting, Management Accounting and Finance, Auditing (including Governance and Information Systems) and Taxation. SAICA does not require a programme to have a research component. Since not all CA students are interested in a research component, a Postgraduate Diploma in Accountancy (PGDA) is the preferred programme as it does not require a research component.

The SoA PGDA programme is accredited by SAICA and aligned to Postgraduate Programmes as specified by the Higher Education Qualifications Sub-framework (HEQSF) of the Council on Higher Education (CHE). The structure of the SU Postgraduate Diploma in Accountancy programme (NQF level 8) is as follows:

Module Name	Credits
Financial Accounting	40
Management Accounting and Finance	32
Auditing, Governance and Information Systems	24
Taxation	24
Total credits	120

1.2 BAccHons programme

The HEQSF of the CHE requires that any honours programme includes a research component. The BAccHons programme is therefore aligned explicitly for this purpose, while still adhering to the requirements of SAICA in terms of the four specific Accountancy-related fields. In addition to the same four Accountancy-related subject areas of the PGDA programme, the BAccHons programme includes a research module of 30 credits, equating to 300 notional hours that should be devoted to the module.

The structure of the BAccHons programme (NQF level 8) is as follows:

Module Name	Credits
Financial Accounting	40
Management Accounting and Finance	32
Auditing, Governance and Information Systems	24
Taxation	24
Research assignment: Accountancy	30
Total credits	150

2. ARTICULATION POSSIBILITIES

Both the PGA (NQF level 8) and the BAccHons (NQF level 8) will allow a graduate, subject to the selection requirements of the particular institution, entry to a Master's Degree or a Professional Master's Degree in Accounting or a cognate discipline, such as Management Accounting, Auditing and Taxation.

3. ADMISSION REQUIREMENTS

The admission requirements for students who completed their undergraduate studies **at a University other than Stellenbosch University** are shown below. The applicant should have obtained a SAICA accredited undergraduate degree/bridging programme from another South African Higher Education Institution (HEI) to apply for any of the two programmes. The current SAICA accredited undergraduate degrees/bridging programmes can be found at: <https://www.saica.org.za/resources/51772>. Please note that all the subjects need not be passed in one year, but subjects must be passed within two years at the time that you apply for the programme. In other words, when applying for entry to a 2023 programme, the earliest date that a professional subject could be passed is 2020.

3.1 Postgraduate Diploma in Accountancy (PGDA)

With respect to the modules in the SAICA accredited undergraduate degree/bridging programme, any of the following two alternative selection criteria can apply:

Selection alternative 1:	Selection alternative 2:
60% weighted average for four professional subjects: <ul style="list-style-type: none"> • Financial Accounting 3 (4) • Management Accounting 3 (4) • Taxation 3 (3) • Auditing 3 (3) <i>(Weightings used in the calculation of the weighted average are shown in brackets)</i>	55% weighted average for the four professional subjects: <i>(The same weightings as for Selection alternative 1 are used in the calculation of the weighted average)</i> AND 55% for Financial Accounting 3

3.2 BAccHons

To apply for BAccHons, a weighted average final mark of at least 75% is required for the four professional subjects :

- Financial Accounting 3 (4)
- Management Accounting 3 (4)
- Taxation 3 (3)
- Auditing 3 (3)

(Weightings used in the calculation of the weighted average are shown in brackets)

3.3 Marks used in the selection process

Percentages are based on final marks as they appear on the formal academic record of the applicant's HEI. The formal academic record must clearly show that the applicant obtained the degree.

4. CLOSING DATE FOR APPLICATIONS

The closing date for applications is 31 October 2022. No late applications will be considered. Apply at www.sun.ac.za/pgstudies. Students should forward the final marks before Monday 9 January 2023 but are encouraged to send the final marks as soon as they are available. Please note that applications to SU postgraduate programmes shall be permitted to **two** postgraduate programme choices.

5. NOTICE OF SELECTION

Two main rounds of selections will take place: the first round after the November results are available and the second round after the December results are available. Students who meet the admission criteria mentioned above will be selected.

Once selected, you may commence with the respective postgraduate programme even if your graduation ceremony is in 2023.

A notice will be sent to all unsuccessful candidates after the selection process has been concluded.
