### TARGET GROUP

All managers at senior and middle level in Municipalities and in Provincial Governments.

### DELIVERY MODE

- Face to face; OR
- Online; OR
- Blended: Ms Teams/Zoom & OR face to Face - Scheduled learning which combines one or more face-to-face study block(s) with one (or more) remote study blocks.

### OBJECTIVES OF THE COURSE & OUTCOMES

To address gaps in consequence management, enhance the maturity level of the corporate governance of the municipalities and the effectiveness of the local government sphere.

#### The following outcomes are to be achieved:

1. Clarify the meaning of the concept of law and the various types and aspects of law which affect the population on a day-to-day basis.
2. Provide a broad general knowledge of the field of law and justice.
3. Present information and give clarity on the Constitutional, policy and legislative imperatives that underpin government activities and work today,
4. more especially in the local government sphere.
5. Identify and analyse the various aspects of the role-players, their role and responsibilities, the processes and procedures and the law and the
6. available legal remedies in the cases of financial misconduct in local authorities.

### ASSESSMENTS

#### Assessment methods information

Participants will be individually assessed by means of the following methods (with weightings of each assessment indicated in brackets):

1. A daily written open-book continuous assessment exercise based on the work of the day and based on the application taught during the contact time whereby the participant must give evidence of the ability to apply concepts and theories (40%); and
2. Written narrative assignment discussing context-specific questions relating to specific outcomes (60%).

#### Assessment criteria information

Through the assessment, each participant must individually prove that he/she can fulfil the set outcomes and apply the knowledge of, insight and skills in South African public sector law specifically in the application of the Municipal Regulations on Financial Misconduct and Criminal Proceedings in general and his/her own work in particular. For successful completion, the average of all assessments must be a minimum of 50%.
