

SEA HARVEST CORPORATION

2019 GRADUATE PROGRAMME

Areas of Learning	Must have achieved (as a minimum)	Location
Industrial Engineering	Relevant Bachelor's Degree	Saldanha Bay
Mechanical Engineering	Relevant Bachelor's Degree	Saldanha Bay

Sea Harvest's vision is to be a leading and responsible diversified global seafood company. With our plant based on the picturesque Cape West Coast, we market our products worldwide. In pursuit of world class standards of excellence, we seek the support of well informed, motivated persons to share our goals.

We, therefore, invite Graduates who are seeking relevant and valuable work experience within the above fields, to apply for our 12-month Graduate programme. Please note that the Engineering posts will be based in Saldanha Bay and candidates must be willing to relocate to the West Coast

Interested parties who meet the above requirements and possess the attributes stated may submit their **CV's, academic transcripts, copies of ID, qualification certificates** to **The HR Manager** email: recruitcorporate@seaharvest.co.za .

CLOSING DATE: 19 November 2018

All Appointments are made in line with our Employment Equity Strategy

If you do not receive a response within 14 days of closure of this advert, regard your application as unsuccessful.
