

Short courses in Health Professions Education

Would you like to enhance your knowledge and skills with regards to teaching and learning and research in Health Professions Education (HPE)?

The CHPE will be offering short courses, nested within the MPhil in HPE, in 2021. Courses commence on 20 January and include face-to-face contact sessions followed by on-line interactions.

Short courses available:

Leadership in HPE
Teaching and Learning in HPE
Research Methodology in HPE
Curriculum Development and Analysis in HPE
Staff Development in HPE
Clinical Skills Development in HPE

- Selection criteria will be applied
- Spaces are limited
- Special rates for SU staff

Contact Lorraine Louw before 01 November 2020 for further information (lhl@sun.ac.za)
