

# SUNHISTO LABORATORY

## STELLENBOSCH UNIVERSITY

Faculty of Medicine and Health Sciences

Department of Biomedical Sciences, Clinical Anatomy

P.O. Box 241, Cape Town, 8000, South-Africa

The SUNHisto laboratory in the Division of Clinical Anatomy (Faculty of Medicine and Health Sciences) provides high quality service to researchers/investigators from universities and private institutions. The laboratory offers a comprehensive service of tissue analysis, including routine and specialized histological processing (paraffin & frozen), sectioning and staining (including IHC, ICC) according to personal specifications. Digital image acquisition and analysis of high quality are available on modern stereo & compound microscope systems to achieve high quality results suitable for publication and diagnosis. Training and assistance to students / researchers are offered.

*The staff of this laboratory prides itself on quality histological processing, fast turn-around time, competitive pricing, and superior customer service.*

### SERVICES PROVIDED:

#### Histology

Initial Consultation	R200.00
Process to Wax block	R120.00 /block
Cut & Stained (routine H&E)	R180.00 /block
Histochemical Stains	R200.00 /slide
Immunohistochemistry/ISH (excluding Primary antibodies)	R235.00 /slide
Cryo-sectioning	R200.00 /hour
<i>{Technical assistance &amp; training is provided at extra cost}</i>	

**50% of Service Quote to be paid before work commences.**

#### Microscopy / Morphometry

Laser dissection	R200.00 /hour
Fluorescence Microscopy	R200.00 /hour
Imaging & Analysis	R200.00 /hour
Unassisted sessions	R 55.00 /hour

**Initial sessions include supervision & training with subsequent hourly rate charged at R50.00.**
