

# DAAD In-Region MSc Scholarships

Stellenbosch University\_ Division of Molecular Biology and Human Genetics

## Call for applications

As part of the In-Region Scholarship Programme, the DAAD (German Academic Exchange Service) is offering scholarships for the MSc study programme at the Division of Molecular Biology and Human Genetics at Stellenbosch University, for studies commencing February 2025. These scholarships are for graduates and postgraduates from Sub-Saharan Africa, excluding South African students. Female applicants and candidates from less privileged regions or groups are especially encouraged to participate in the programme.

The scholarships are full cost, and include:

- The full study fees
- 450 EUR per month
- 460 EUR annual study and research allowance
- 400 EUR printing allowance (once at the end of studies)
- Health insurance
- Travel from and to home country at beginning and end of study at Stellenbosch
- A possible short-term research visit of 3-6 months in Germany

Applications open on 1 March 2024 on the [DAAD portal](#). For information on how to apply, as well as further information about eligibility criteria, please register for the Information session on 4 March 2024 [here](#).

For more query regarding program or information session please contact Ms Suné Dyers at [sdyers@sun.ac.za](mailto:sdyers@sun.ac.za)

The deadline for applications is **9 April 2024**.

Kind regards

**Samantha Sampson**

Professor, Division of Molecular Biology and Human Genetics
