

NIH funding opportunities

Faculty of Medicine and Health Sciences: Research Development and Support

1 Jun 2020 (#27)

[Click on blue [hyperlink](#) for further information]

The NIH funding opportunities listed below are only a **selection** of pre-screened, currently open health funding opportunities for which **South African institutions are eligible to apply**. For a comprehensive selection of NIH funding opportunities, please visit www.grants.nih.gov or www.sun.ac.za/RDSfunding (current & archive).

Confirm your intent to apply ASAP, but not later than 60 days before the submission date.

Tygerberg Campus: cdevries@sun.ac.za • Stellenbosch Campus lizelk@sun.ac.za

Important Notice

NOT-ES-20-018 Notice of Special Interest: Promoting Fundamental and Applied Research in Inflammation Resolution. The purpose of this Notice of Special Interest (NOSI) is to inform potential applicants that the National Institute of Environmental Health Sciences ([NIEHS](#)), the National Heart, Lung, and Blood Institute ([NHLBI](#)), and the National Institute of Arthritis and Musculoskeletal and Skin Diseases ([NIAMS](#)) have special interest in applications to investigate the mechanisms controlling the resolution of inflammation in chronic disease states.
