

Noëlle Van der Waag-Cowling

Noëlle Van der Waag-Cowling is the Cyber Programme Lead at the Security Institute for Governance and Leadership (SIGLA), Stellenbosch University. Her work cuts across both the public and private sectors and has a strong focus on governance, risk and policy and geo-strategic issues in information security. Noëlle is passionate about tech innovation in Africa and building cyber capacity on the Continent. In 2020 she was voted one of the Top 50 Women in Cyber in Africa and participated in the Tana High-Level Forum on Security in Africa. She served a member of the Group of Global Experts to the [International Committee of the Red Cross](#) on the protection of civilians during military cyber operations and is an affiliate member of the University of Canberra's [National Security Hub](#). Noelle is also co-chair of the Strategy and Policy Working Group on the Carnegie Endowment for International Peace's Global Project for [Cybersecurity and Digital Financial Inclusion](#) and a member of the review board of the International Journal of Cyber Warfare and Terrorism.
