I confirm that I am aware of the following:

- I will be liable for co-payments if I do not use Medihelp's hospital network, designated service providers (DSPs) and formulary medicine.
- I must register my prescribed minimum benefits (PMB) condition with Medihelp and my PMB chronic medicine must be pre-authorized by Medihelp. Medihelp uses a DSP for PMB chronic medicine and a formulary applies. I will be responsible for a co-payment\* on my PMB chronic medicine should I fail to obtain this medicine from the DSP or deviate from the formulary for my benefit option.
- My treating specialists should form part of Medihelp's DSP specialist network in order to prevent co-payments on PMB treatments.
- I must use Medihelp's hospital network for all planned hospital admissions. If there is no network hospital available near my place of residence, I will need to travel to the nearest network hospital to obtain medical services. If I use a non-network hospital instead, I will be liable for a co-payment\*.

\* Please refer to your benefit option's guide/brochure for all applicable co-payments.
