We pay these claims from your day-to-day benefits, up to an annual limit of R29 850 per person. The Severe Dental and Oral Surgery Benefit covers a defined list of procedures, with no upfront payment and no overall limit. This benefit is subject to authorisation and the Scheme’s rules.

Other dental treatment in hospital
You need to pay a portion of your hospital or day clinic account upfront for dental admissions. This amount varies, depending on your age and the place of treatment.

We pay the balance of the hospital account from your Hospital Benefit, up to 100% of the DHR. We pay the related accounts, which include the dentist and other related accounts, from your Hospital Benefit, up to 100% of the DHR. We pay specialists up to 300% of the DHR.
