

As a savings solution, Prime 2 provides comprehensive hospital cover either at any facility or through a network of 119 quality private hospitals (pay 22% less for the network alternative). The 15% savings account covers day-to-day medical expenses, while a special GP consultation benefit for children is activated after depletion of the savings account. Ample added insured preventive benefits, which include immunisations and screenings, as well as pregnancy and baby benefits, all form part of this attractive offering.

Day-to-day benefits

Day-to-day benefits

- 15% savings account
- Credit facility equalling 12 months' savings contributions is available at the beginning of each financial year
- Unclaimed savings funds will accumulate interest and be added to your available savings for the next year
- Flexible payment option to include or exclude in-hospital co-payments and shortfalls

Child care benefit

- R2 000 per family per year
- A special benefit for GP consultations for children ≥ 2 < 12 years old is activated after depletion of the savings account

Medicine

- PMB chronic medicine**
- Non-network option – 100% of the MHRP
- Network option – 100% of the MHRP (DSP and formulary apply)

HealthPrint

Medihelp members get free access to this online health and wellness programme designed to add value based on their health profile through programmes such as a pregnancy and baby programme and discounts at selected partners.

Dentistry

- DRC network applies
- Conservative and specialised dental services – savings account
- Dental procedures under conscious sedation in the dentist's chair (sedation cost) for the removal of impacted teeth only (3rd molars) Dentist's account – item codes apply – 100% of the MT

Optometry

- Savings account

External prostheses and medical appliances

- In and out of hospital
- Savings account
- Hyperbaric oxygen treatment R630 per family per year

Monthly contributions

You only pay for two children younger than 18 years, after which child dependant rates will apply from the beginning of the year following the year in which they turn 18, until they are 26 years old.

	Network	Non-network
Principal member 	R2 160 (R324 savings contribution included per month and R3 888 per year)	R2 772 (R414 savings contribution included per month and R4 968 per year)
Dependant 	R1 776 (R264 savings contribution included per month and R3 168 per year)	R2 280 (R342 savings contribution included per month and R4 104 per year)
Child dependent <26 years 	R648 (R96 savings contribution included per month and R1 152 per year)	R828 (R120 savings contribution included per month and R1 440 per year)

The monthly contribution does not take any employer subsidy into account

Important:

This is only a summary of the available benefits. Please consult the registered Medihelp Rules for more information and details of services that are excluded from benefits. In case of a dispute, the Rules of Medihelp will apply (subject to approval by the Council for Medical Schemes).

- Certain added insured benefits are not available if you have been registered for a PMB condition as the treatment is no longer considered as preventive care and may be linked to a specific age/gender/item code. Benefits are paid at 100% of the MT.
- Doctors' consultations are paid from available day-to-day benefits.
- Subject to pre-authorization and/or protocols.
