CONFIDENTIALITY AGREEMENT

Mentoring pairs will share information with one another throughout the association. Partners must be very clear on the limits they want to place on the information shared. Establishing clear boundaries is a big step toward building trust.

Here are a couple of statements to start your agreement. You may accept these as they are, build upon them, or establish a completely new agreement. The important thing is that both partners concur with the confidentiality agreement.

1. What we discuss will stay between the two of us. [Use the space below to add to this]

2. What we discuss will stay between the two of us, unless we give each other permission or ask that the information be shared with others. [Use the space below to add to this]

3. Add other additional conditions you both mutually agree to.
