

Moodle Mobile App

Moodle Mobile is the official mobile app for Moodle. It allows you to browse the content of your courses, even when offline. You receive instant notifications of messages and other events. You can search and contact other people in your course quickly. Moodle Mobile allows you to upload images, audio clips, videos and other files from your mobile device. (left-Android and right-iOS)

- **Step 1:** Download Moodle Mobile (MM) from one of the following:

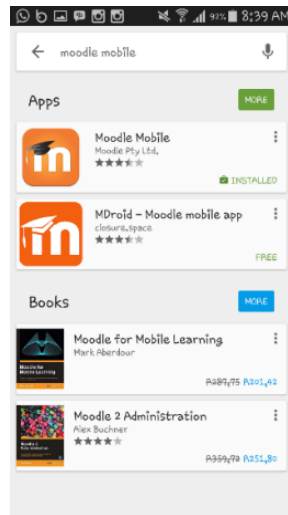

- **Step 2:** Play Store or App Store will open on the home page:

No part of this document may be reproduced or distributed in any form or by any means, or stored in a data base or retrieval system, without the prior written permission of the Centre for Learning Technologies, Stellenbosch University.
