

Oude Molen PSO

Welcoming Letter 2020

Est. 1973

Dear Prospective Mol

First of all, a hearty congratulations on your acceptance to Stellenbosch University for 2020, and furthermore, we would like to congratulate you on your placement into Oude Molen PSO (Private Student Organisation). Oude Molen is an active student community which provides you with the same opportunities in terms of the student experience and activities as a residence, for students who reside in their own private accommodation. PSO's form the heart of Stellenbosch University, making up around 70% of the student population. All 11 PSO's provide incredible support to those who do not live in University residences and enrich the lives of all their members. Please note that PSO's do not provide accommodation, and all PSO students should arrange their own accommodation and transport.

Please note that the University does provide shuttle services to surrounding areas for students who live outside of Stellenbosch.

Oude Molen was established in 1973 as one of the first three male PSO's on campus, and over the past 45 years, has developed a rich heritage and has, and continues to produce individuals with incredible character and integrity, all different in their skills and personalities, yet all united by their "home away from home", that is the Oude Molen community, and all brimming with a sense of passion and energy in their day-to-day activities.

Governed by our values of Respect, Unity, Balance, Belonging, Inclusivity and Compassion, Oude Molen provides the perfect platform for each individual to flourish during the university career and really make their experience here one that they will cherish for the rest of their lives.

Driven by the phrase, "Een keer 'n Mol, Altyd 'n Mol", or once a Mol, always a Mol, we truly have a unique community that is driven by a true brotherhood which exists within the PSO.

Oude Molen members, or "Molle", have been extremely successful in all university activities, such as sport, culture and academics. On the sports fields, Oude Molen has shown particular success on the cricket and hockey fields, around the squash court, and has always been a strong presence within the PSO Barbarians on the rugby field. For our more culturally inclined Molle, we have also shown tremendous success in Toneelfees, which consists of plays written, directed and acted out by our members, and SU Acapella, formerly known as Kleinsêr, which is an acapella singing competition.

Above all else, however, Oude Molen places particular focus on academic support to our first year students in particular. This is achieved primarily through our Mentor program, which will be explained in more detail further on in this letter, but this essentially aims to provide each newcomer with a senior mentor in the same faculty as them, who is able assist the student with any academic help he may require.

On the social front, even though all the Molle in Stellenbosch do not live under the same roof, we have an incredible energy and spirit, and maintain this through many events that we host throughout the year, from formal house dances to sports days, to simple braais at our PSO House, known as "Rietdak", or the HK House.

During the Welcoming Week, 23 January to 1 February 2020, Oude Molen will help you on your journey to becoming a Matie! A full program has been developed to ensure that you receive the best possible start to your university career, and that you are well acquainted with the campus and town, and have at least made a few friends before classes commence on 3 February. During this week, you will be assisted with your registration, introduced to all that Stellenbosch University has to offer, and will be introduced to some amazing people in other PSO's and residences through socials that are incorporated into the program.

The Welcoming period culminates with the "Vensters" festival, which is an age-old tradition where the newcomers put on performances with our Connect Partners. Our partners for 2020 are the lovely humans of Venustia PSO, who you will get to know well in the preparation for Vensters.

The Welcoming Leaders for 2020 will be Ethan McCrorie and Stephen Southway and they will be responsible for ensuring a comfortable transition into this new stage of your life, and incorporate you fully into Oude Molen as you become a fellow Mol, and making sure you feel comfortable taking part in Oude Molen activities. Your wellbeing is our main concern, and if any problems arise, they will only be glad to assist you and will do everything in their power to solve the problem. Please see the information regarding the initial meeting on 23 January 2020 at 09:00 on the next page :

Date: 23 January 2020
Time: 09:00
Venue: JC Smuts A203
(if you can't find this venue,
please come to 149 Banghoek Road,
which is the PSO House and we
will escort you
to the venue which is very
closeby)

During the initial meeting, we as the House Committee, will meet the new Molle of 2020, and it will also form as general information session about the PSO and specifically about the Welcoming Week. Your parents are more than welcome to attend this meeting, and we will have a session afterwards where we speak with parents and answer any specific questions that they might have. It will also be awesome for your parents to see your new family in Oude Molen! This session will be quite brief, no longer than 45 minutes, as we will jump straight into the welcoming program thereafter.

Kind Regards

Message From The Prim

I feel it a great honour to have the privilege of welcoming you into Oude Molen PSO. Words cannot explain the experiences that await you during your time here with us.

When I look back at my career at Stellenbosch University, Oude Molen forms the bulk of my experience and growth, through what I have been able to be exposed to, but more importantly, through the incredible people I have been able to meet and call friends.

My role as Prim over the next year will be to guide the house to achieve all that we have set out to, and facilitate the welcoming of our new brothers into our family. I also represent Oude Molen on a wider campus level and bring our identity to other communities and the University management, making sure that your needs are catered for across all bases.

On a personal note, I am so excited to meet you and to have you be a part of my journey here, and to hopefully help you set sail on yours. University can be a scary place, but just know that you will always have friends waiting for you at Oude Molen, and please feel free to come chat to the HK at Rietdak so we can get to know you better.

This PSO really can be a life-changing experience for you, and be the most incredible platform for you to grow and excel during your time here on all levels, and gear you even further for life afterwards. The people you will meet can only enhance your life here, adding to your memories that you will take away, and can help you along on your adventures through the jungles of tests, exams, pred and over all of this, creating your own unique identity.

However, there is a catch, and that is that YOU have to let it.

As the saying goes, “the game of life has only two participants, players and spectators”, and I believe you have too much to offer to not be a player!

Please feel free to contact me should you have any queries or worries.

Best wishes,

Alexander Brits

About me

BA Drama and Theatre Studies

I am Renier Stoop, your Head Mentor for 2020

I am a 3rd Year BA Drama and Theatre studies student and an aspiring writer and director.

This will be your home for the next few years. Notice I used home instead of house, because we as a community and Oude Molen PSO will do our best to ensure this is your home away from home, where you can feel welcome and get the most out of your stay and studies at Stellenbosch. We look forward to an amazing year with kindness, acceptance and a sense of family.

We have a great team of mentors for 2020 that will be with you every step of the way from registration to first day chaos! (hopefully good chaos) They will be your guidance and support throughout all the new and exciting things you're gonna deep-dive into within your 1st year! From morning yoga sessions to Oude Molen braai's!

My favorite quote will always be:

"Be kind to one another"

-Ellen DeGeneres

Because Kindness will get you everywhere!

Looking forward to meeting all of you and a rumbling 2020 at Oude Molen!

What Are The Mentors?

On the first day of welcoming you will be divided into groups according to your faculties, and this is where you will meet your mentor. In these mentor groups you will get to know your mentor and they will get to know you. Throughout welcoming they will look out for you, in the sense that if you have any questions or if something goes wrong and you need help you can just go talk to them and they will assist you to the best of their abilities. After welcoming the mentor's duty changes from essentially being a guide to more like a friend. They are there to help you if you are struggling, because at the end of the day the mentors are just students like you, but with a bit of experience in surviving through the tough times in university. Just take note that you can ask any mentor you feel comfortable with for help, you are not bound to one mentor. All the mentors are capable of helping you or directing you to someone who is.

What Are The Seniors Comm?

The Seniors Committee is an enthusiastic group of Molle who want to be involved in everything we do, but have more academic constraints. They will be involved in the planning of Welcoming and also in the facilitation of Vensters, and will also be involved in your mentor sessions. They will also focus on the more social aspects of welcoming and social events throughout the year.

Dear Student

CHARGING FIRST YEAR PACKETS TO STUDENT ACCOUNTS

Welcome to the PSO community of Stellenbosch University! You have been assigned to a PSO (private student organisation) due to the fact that you have not elected to stay in a residence in 2020. During the annual welcoming period in the beginning of the year, residences and PSOs take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because PSO's do not have a dining hall (although some PSO's will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, PSO first years are provided with "welcoming packages". These packages usually consist of a number of meals, clothing, water bottles, caps and other items unique to the particular PSO. During PSO registration on the first day of Welcoming (Wednesday, 22 January 2020), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from PSO to PSO). Each PSO will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgment of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses. Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.

Acquiring the "welcoming package" is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact me at 021-808 3023 / 2791 or pso@sun.ac.za

Beste Student,

HEFFING VAN VERWELKOMINGPAKKIE-KOSTES OP STUDENTEREKENING Welkom by die PSO-gemeenskap van die Stellenbosch Universiteit! Aangesien jy nie in 'n koshuis woonagtig is nie, is jy in 'n PSO (Privaat Studente Organisasie) ingedeel. Tydens die jaarlikse Verwelkomingsperiode neem koshuise en PSO's verantwoordelikheid om die eerstejaars op 'n verwelkomende wyse aan Stellenbosch Universiteit bloot te stel.

Aangesien die PSO's nie oor 'n eetsaal beskik waar studente maaltye kan geniet nie, (alhoewel daar reëlins getref word deur sommige PSO's om etes in die oop eetsale te geniet), word daar vir die eerstejaars "verwelkomingpakkies" saangestel. Dit bestaan gewoonlik uit 'n sekere aantal maaltye, klerasie, waterbottels, pette, en soortgelyke items wat eie is aan die betrokke PSO. Tydens registrasie by die PSO op die eerste dag van Verwelkoming (Woensdag, 22 Januarie 2020), het u die opsie om hierdie verwelkomingpakkie aan te skaf teen 'n vasgestelde bedrag (wat kan wissel van PSO tot PSO).

Elke PSO bied ook verskillende opsies aan student (etes en klerasie / slegs etes / slegs klerasie).

Stellenbosch Universiteit maak gebruik van 'n kontantvrye sisteem wat studente in staat stel om die pakkies makliker te verkry. U, of u ouers of voog, gaan dus op die dag 'n erkenning van skuld moet teken sodat die klerasie, voedsel, ens vir die verwelkomingsperiode aan u beskikbaar gestel kan word. Na registrasie sal die koste dan teen die betrokke studenterekening gehef word vir betaling saam met alle ander studentverwante uitgawes. Neem asseblief kennis dat sodra u die vorm onderteken het, u aanspreeklik sal wees vir die koste van die verkose pakkie, ongeag of u al u etes geneem het en ongeag of u die klerasie nie meer wil hê of dra na die eerste paar dae nie.

Die verkryging van die "verwelkomingpakkie" is nie verpligtend nie, maar ons wil u tog aanmoedig om dit wel op te neem. Vind asseblief aangeheg die vorm vir u voltooiing. U is welkom om dit saam te bring volgende jaar.

Indien u enige vrae het, kontak ons gerus by 021-808 3023/2791 / pso@sun.ac.za

Vriendelike groete,
