"Pieke PSO 45 Year Reunion 2018"

# WHAT IS PIEKE PSO?

With this we would like to congratulate you on your placement in Pieke PSO (Private Student Organisation). Pieke is a community that plays the same role in terms of experience and activities as a residence, for students who reside in private accommodation. Every Matie student is aware of the fact that a PSO is a unique organization. Pieke is proud to be a visible, active community in Matieland, without being limited to a single residence building.

Pieke was established in 1973 (making us one of the oldest PSO's on campus), and over the past 45 years, Piekemen have gained the reputation as the "Gentlemen of Campus". We pride ourselves by our values of Honour, Excellence, Integrity and Service. Grounded by these values, Pieke has been extremely successful on a sport, social, cultural and academic level. Being part of the Rubix Cluster, Pieke has shown its capability of being a strong academic and cultural contender among the residences. This is something for you, as a Piekeman, to look forward to and be a part of in the near future. We are known for our tradition and pride. Being a home away from home, Pieke is an established fraternity that gives each individual a place to flourish. Pieke aims to provide for the needs of every Piekeman, whether it is sport, academics or culture. On a cultural level, Pieke Manssêr, our kleinsêr group, is known as one of the best on campus and have represented Stellenbosch University twice at the National Kleinsêr Competition. We are currently still the only male PSO that has won Maties Kleinsêr as well as Maties Mollasêr. Kleinsêr, and in particular Pieke Manssêr, is one of the high-lights for any Piekeman. In addition to sêr, Pieke has been a strong competitor in the annual Toneelfees, having won this event several times in the past.

When it comes to the sport field, Pieke has been incredibly successful in a wide range of sporting activities. Our squash team has won the A league, against some of the strongest residences on campus, several years in a row now. We are the only PSO to have ever won the inter-residence swimming gala. Pieke is a strong competitor on the soccer and hockey fields, with both our teams participating in the strongest leagues. Pieke forms part of the PSO Barbarians rugby team, a team consisting out of players from different male PSOs. The PSO Barbarians is a force to be reckoned with in the Maties Koshuis Rugby League. We also participate in activities such as chess and are the winners of the Maties Chess C-league. In recent years Pieke has also performed in table tennis and recently won the second league title. When it comes to sport, Pieke has delivered several successful Maties sports men. We value academics, and in order to assist first year students with adapting to university academics, we have a mentorship program in place. The first years are assigned to a senior Piekeman, which acts as a mentor, to assist and guide the student with any academic query. Our mentors have the necessary skills to provide the first years with any assistance they may require. As a men's PSO we have a lot of spirit, despite the fact that we don't live together in a residence. We maintain this spirit by organising numerous events throughout the year, which ranges from a formal House Dance to a Golf day. Pieke aims to create a home away from home, providing safety and security for every new first year. It is therefore the mission of Pieke to maintain the unity and fraternity within the House by treating each Piekeman as equal and providing a platform where it is possible to achieve your full potential.

PSO's are the heart and soul of Stellenbosch University. The 11 PSO's provide support to those students who do not live in residences, these students making up around 70% of students on campus. A PSO does not provide accommodation and meals (excluding the meals that form part of the Welcoming Package, of course). PSO students should therefore arrange private accommodation or daily transport, depending on whether the student prefers to live in Stellenbosch or drive to campus daily from surrounding suburbs.

During the welcoming week (23 January to 1 February 2018) we are going to help you become a true Matie. A full program with exciting activities has already been planned; to ensure that you get to know Matieland before classes commence, and receive the best start to your student life. The aim of this welcoming week is to ensure that you are prepared for your University career, what lies ahead and for you to find a sense of belonging in your new community. We have assigned mentors to all of our firstyears to help you cope with the change from school to university. This program is designed to make provision for each and every one of our newcomers, so we are looking forward to meeting you and, more importantly, getting to know you.

You will also be taking part in all the various Connect (formerly JOOL/RAG) activities during the course of this week. Connect is a weeklong, age-old tradition, where all the newcomers on campus prepare for the Connect "Vensters" (A production done outside on a stage with all the newcomers). Our Connect partner is Nemesia Ladies' Residence, and it is sure to be a very successful journey. This is an excellent opportunity for us to showcase what we have worked towards throughout the welcoming week, as well as our projects and aims (regarding social impact and -wellness) for the coming year.

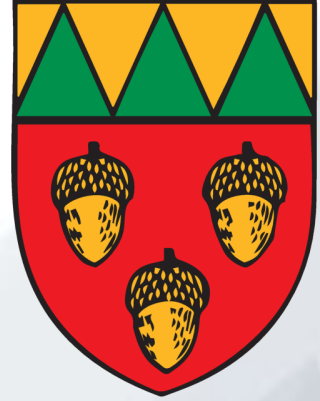

One of our most exciting aspects is that we are part of Rubix Cluster, along with several other residences and PSO's. This creates the platform for us to network with other students who we would not necessarily encounter otherwise. This also provides us access to physical spaces within residences to utilize. This includes dining halls, study areas, a deli and even sleeping facilities (which can be arranged should you need to stay on campus for a test). For private students staying off campus, the Cluster is here to provide a place to stay during the day when you are on campus. A new initiative for PSOs is that you are able to book your meals on your student card and enjoy the most affordable meals on campus at Heemstede's dining hall. The cluster will also have monthly meals together at the different residences in our cluster. Above and beyond this, there will be regular study sessions where you will be given the opportunity to work together with other guys and girls in the cluster who are studying the same course as you. Rubix, together with Pieke as an individual community, aims to be an environment where social skills and academic excellence can be developed.

# OUR VALUES

## HONOUR

Honour asks of you to build your name with merit, to maintain respect and to earn that respect. To live in such a way that you choose not to bring shame to your name nor to the name of our House. Pieke values honour above all else and strives towards keeping our ethics and name up high, regardless of wherever you may find yourself.

## EXCELLENCE

To do what is right, regardless of whether or not people are watching. Integrity asks respect and honour towards yourself as well as our House. With integrity you agree to live up to the ethics we pride ourselves in, to live such a life where gentlemanship is seen upfront

## INTEGRITY

To strive for that which exceeds normal standards. To never be content with just enough, but to strive for what is better for yourself and the broader society. To give your best regardless of your situation. Excellence asks of you to step out of your comfort zone and challenge all challenges.

## SERVICE

Through serving others, you acknowledge their humanity. In acknowledging their humanity, you acknowledge your own. In acknowledging the needs of others, you acknowledge your own. Therefore it is necessarily true that when you as a human, in your humanity, serve other, you relieve their needs. Pieke strives towards bettering the society through our capacity as gentlemen. We believe that when you have enough to give, you should give. We as Pieke accept the responsibility to serve, in our humanity, each other and the world.

HE IS

# WHAT IS CLUSTER?

The concept of a cluster was introduced in 2007 as a way to connect and involve private student organization (PSO) students with the activities and facilities available to students living in university residences.

Pieke PSO forms part of the Rubix Cluster, with Venustia PSO as well as Heemstede, Nerina, Metanoia and Hippokrates making up the residences of Rubix Cluster.

Besides being part of such a diverse and vibrant cluster, PSO students have the added benefit of being served meals at one of the three residences that form part of Rubix Cluster on Stellenbosch campus. PSO students will have access to these eating facilities over meal times and the cost of this service is payable at the cashiers in Admin A. Rubix also offers a variety of events throughout the year, from socials to academic study groups.

Rubix Cluster has benefited immensely from the joining of the gentlemen of Pieke and we encourage you to stay involved so that we can expand and improve the Rubix community.

## VENSTERS

Vensters is a fun, student-driven, fundraising project in aid of Matie Community Service (MCS), better known as "MGD" - Matie Gemeenskapsdiens.

Spectators can expect an explosion of sound and colour as the house partnerships illustrate their interpretation of the year's theme. Via innovative and creative storylines and original dances, spectators are taken on a journey through the imaginary world of students, each world being unique.

All funds raised during this program fund the different student-driven community interaction projects. These projects are targeted at uplifting the Stellenbosch Community and instilling a culture of giving back amongst students.

## Vision and Mission

The vision of Pieke PSO is based on the values of our House which are Honour, Excellence, Integrity and Service and is also based on where Pieke finds itself currently:

"Reinforcing the brotherhood and legacy that is Pieke – transforming vision into success. Being transparent, inclusive, innovative, diverse and having a community that is integrated and open for conversation"

It is therefore the mission of Pieke to maintain the unity and comradery within the House; treating each Piekeman as equal and providing a platform where it is possible to achieve your full potential. Building on past achievements, but not letting those achievements cloud the legacy that has the potential to produce the Gentlemen of the future.

If you are reading this and you're still nervous about finding your place here in Stellenbosch – don't worry, Pieke has got your back!

When I first came here I knew no one, but Pieke made me feel truly welcome since day one. Not only did it become my home away from home, but almost all of my friends are my Pieke brothers and some of my best memories of university are because of Pieke.

I finished my degree in Bcom Business Management last year and I'm currently continuing with post graduate studies. If you don't find me with my friends in my free time I'll probably be chilling in my room, playing Fifa or watching sport.

Pot here! I did my undergrad in BMus at Kovsies and finished my Master's in Music Technology in 2018. In 2019 I am going to study PGCE. I am the typically "culture vulture" and that is why one of my portfolios is culture. The culture portfolio entails SU Acapella, previously known as Kleinsêr, Toneelfees, Molassasêr and Debating. Pieke also have tours and I oversee that. My last portfolio is Critical Engagement. I also oversee the sport - tennis and chess. Not a lot of people know this, but I played rugby at Kovies, so I am not just the "culture vulture". However, that is not something that will never happen again. I am rather the one that brings the GEES to events. But that is part of being a student. Doing stuff that you have never done before. And I hope that you will have that opportunity next year, and this is where Pieke will help you achieve it. Not just succeeding in your academic live but also having a balanced live, culturally and socially, at SU. Pieke will start out as a bunch of random guys but will end up as

My main portfolio at Pieke is treasury. My main job is to ensure that the membership fees that you pay as a member to form part of Pieke is spent according to the financial policy set out by Stellenbosch University and to manage these funds sustainably so that we as a house can create a better future for our generations to follow.

My second portfolio is guardian of the second years committee. We have an excellent group of 19 second year house members that form part of our leadership structure and their main task is to help the house committee with various tasks as well as giving input when big decisions are made. My job as guardian is to ensure that there is a linkage between the new comers of 2019 and the second years of 2019 as well as a linkage between the second years of 2019 and the house committee of 2019.

# PIEKE SECTIONS

"Once we are bound together to our brothers by a common good that is outside us, then we can breathe. Experience teaches us that love is not to gaze at one another but to gaze in the same direction. There is no comradeship except through unity on the same rope, climbing towards the same peak." Antoine de Saint-Exupery

Sections not only creates some friendly comradeship during events; whether it is garden sports, quiz nights or sport days, it is also a structure to keep us focused in one direction. The Sections structure of Pieke PSO creates Focus Groups which meet on a weekly basis. This is to ensure that each student of Pieke PSO gets the opportunity to network with senior students in their respective faculties. Upon being allocated to a Mentor at Pieke PSO you will also be allocated to a Section. There are 3 Sections in Pieke PSO; Alpha, Crimson and Linduli.

## ALPHA

Alpha strives for **GOLD** at every task, whether it is academics, culture or sport. With the drive to meet each task with excellence is the reason why Alpha is a force to be reckoned with.

The lion is perhaps the greatest image that resembles the community as they take every member of the "pride" with them into "battle"

## CRIMSON

Crimson to some is only another shade of **RED**, however it is also a community that strives to excel at any challenge with integrity.

Crimson focuses to create a community of thinkers as well as doers which make an impact in the greater community of Pieke PSO. Crimson therefore is the community to look out for as they will always come well prepared.  
CC

## LINDULI

Linduli has its roots settled in the very centre of that which makes Pieke, the Hills.

Linduli is the **GREEN** section and perhaps the specialist of the outdoors. Having the drive to reach for higher goals than any other Section, Linduli promises to be a powerful community.

## SAVE TONIGHT-EAGLE EYE CHERRY

CHORDS: A MIN/F/C/G

Go on and close the curtains,  
'cause all we need is candlelight.

You and me and a bottle of wine,  
gonna hold you tonight, oh yeah.

Well, we know I'm going away  
And how I wish, I wish it weren't so  
so take this wine and drink with me  
let's delay our misery...

CHORUS: Save tonight  
Fight the break of dawn  
Come tomorrow  
Tomorrow I'll be gone  
Save tonight  
Fight the break of dawn

Come tomorrow  
Tomorrow I'll be gone  
There's a log on the fire  
and it burns like me for you  
Tomorrow comes with one desire...  
to take me away.

It ain't easy to say goodbye,  
darling please don't start to cry.  
'Cause babe you know I've got to go,  
Oh Lord I wish it wasn't so

Save tonight  
Fight the break of dawn  
Come tomorrow  
Tomorrow I'll be gone  
Save tonight  
Fight the break of dawn  
Come tomorrow  
Tomorrow I'll be gone  
Tomorrow comes to take me away  
I wish that I, that I could stay  
but babe you know I got to go,  
oh and Lord I wish it wasn't so  
Save tonight  
Fight the break of dawn  
Come tomorrow  
Tomorrow I'll be gone  
Save tonight  
Fight the break of dawn  
Come tomorrow  
Tomorrow I'll be gone  
Save tonight

# PIEKE HOUSE SONG

SANG ON THE MELODY OF "OH MY DARLING"

In die skadu's van die Pieke  
Bly 'n trotse Maties stam  
Woon die manne van 'n huis  
In hul oë der vuur en vlam  
Tussen wingerd, see en berge  
Troon die Pieke hoog en trots  
Die berge is ons woning En  
die woning ons rots

Firm and steadfast Bring us  
glory We will strive to win it  
all

Ons is ewig in ons strewe

Beste Student,

**HEFFING VAN VERWELKOMINGPAKKIE-KOSTES OP STUDENTEREKENING** Welkom by die PSO-gemeenskap van die Stellenbosch Universiteit! Aangesien jy nie in 'n koshuis woonagtig is nie, is jy in 'n PSO (Privaat Studente Organisasie) ingedeel. Tydens die jaarlikse Verwelkomingsperiode neem koshuise en PSO's verantwoordelikheid om die eerstejaars op 'n verwelkomende wyse aan Stellenbosch Universiteit bloot te stel.

Aangesien die PSO's nie oor 'n eetsaal beskik waar studente maaltye kan geniet nie, (alhoewel daar reëlins getref word deur sommige PSO's om etes in die oop eetsale te geniet), word daar vir die eerstejaars "verwelkomingpakkies" saamgestel. Dit bestaan gewoonlik uit 'n sekere aantal maaltye, klerasie, waterbottels, pette, en soortgelyke items wat eie is aan die betrokke PSO. Tydens registrasie by die PSO op die eerste dag van Verwelkoming (Woensdag, 23 Januarie 2019), het u die opsie om hierdie verwelkomingpakkie aan te skaf teen 'n vasgestelde bedrag (wat kan wissel van PSO tot PSO).

Elke PSO bied ook verskillende opsies aan student (etes en klerasie / slegs etes / slegs klerasie). Stellenbosch Universiteit maak gebruik van 'n kontantvrye sisteem wat studente in staat stel om die pakkies makliker te verkry. U, of u ouers of voog, gaan dus op die dag 'n erkenning van skuld moet teken sodat die klerasie, voedsel, ens vir die verwelkomingsperiode aan u beskikbaar gestel kan word. Na registrasie sal die koste dan teen die betrokke studenterekening gehef word vir betaling saam met alle ander studentverwante uitgawes. Neem asseblief kennis dat sodra u die vorm onderteken het, u aanspreeklik sal wees vir die koste van die verkose pakkie, ongeag of u al u etes geneem het en ongeag of u die klerasie nie meer wil hê of dra na die eerste paar dae nie. Die verkryging van die "verwelkomingpakkie" is nie verpligtend nie, maar ons wil u tog aanmoedig om dit wel op te neem. Vind asseblief aangeheg die vorm vir u voltooiing. U is welkom om dit saam te bring volgende jaar.

Indien u enige vrae het, kontak ons gerus by 021-808 4854/2791 / [psosun@sun.ac.za](mailto:psosun@sun.ac.za)

Dear Student

### CHARGING FIRST YEAR PACKETS TO STUDENT ACCOUNTS

Welcome to the PSO community of Stellenbosch University! You have been assigned to a PSO (private student organisation) due to the fact that you have not elected to stay in a residence in 2019. During the annual welcoming period in the beginning of the year, residences and PSOs take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because PSO's do not have a dining hall (although some PSO's will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, PSO first years are provided with "welcoming packages". These packages usually consist of a number of meals, clothing, water bottles, caps and other items unique to the particular PSO. During PSO registration on the first day of Welcoming (Wednesday, 23 January 2019), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from PSO to PSO). Each PSO will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgment of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses.

**Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.**

Acquiring the "welcoming package" is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact me at 021-808 4854 / 2791 or [psos@sun.ac.za](mailto:psos@sun.ac.za)

Kind regards,
