

WELCOME TO VENUSTIA

LADIES PSO

Beauty through strength

Venustia?

Venustia is a group of ladies with a passion and love for their house and fellow house members, which we know as “Swans”. Together these Swans form, according to us, the best Private Student Organization (PSO) at Stellenbosch University. Venustia helps students to find their feet at University and is a support system for all of its members. We are your loving and caring home-away-from-home. In this house, we support one another and help each other to the best of our abilities. We are a value-driven house, which means that we strongly believe in living by our values, not only when we are representing Venustia, but also in life in general.

Our values:

Integrity Respect Equality Inclusivity Compassion

Together with the University's values and our Cluster values, we take a lot of pride in our house values. The University's values include excellence, accountability, compassion, respect and equity. All these values are important to us, as we as a young generation need to focus on things that could be a problem in our community, we need to take these things and improve on it to ensure a better future! Within the University there are different Clusters. You are part of the Rubix Cluster that consists of Venustia, Pieke, Heemstede, Nerina, Metanoia and Hippokrates. Each Cluster also has certain values which they strive towards. Rubix Cluster's values are the following: Unity, Diversity and Equality. This makes sense since Rubix is a very diverse group of people, uniting and treating each other as equals. These values also tie in with our house values.

Our objectives the way behind Venustia!

We want to make your experience as fun and convenient as possible by helping you to bridge the gap between High School and University, by providing you with a place where you feel comfortable to be yourself and by welcoming you to Stellenbosch University. So many things change. You are in a different environment, you might be far from home, the workload is much more, you might need some advice etc. But that is exactly why we are here. To make that adaption easier for you!

How will we be doing this?

During your welcoming period, we will familiarize you with your surroundings so you don't feel completely lost on the first day of class. You, together with your fellow Swans that are in the same faculty as you will be allocated a mentor group where you will build a relationship with your mentor who will assist you academically as well as emotionally. We will also be at the Venustia HK house whenever you want to chat or just pop in to say hello.

What will we be doing?

We will show you around on campus (the buildings you might have class in and also where to find the best coffee or most affordable textbooks), we will organize activities with other residences and PSO's, which will be an opportunity to meet new people, we will schedule regular mentor sessions with you to see if you are still coping and many more. Please see the Welcoming program at the end of this booklet for further details of the exciting activities that we have planned.

Message from your lovely Prim!

Aneri de Clerk

Dear beautiful Swan sister!

I am Aneri de Clerk and your Primaria for 2019. Firstly, congratulations on being accepted at Stellenbosch University. It is a great honour for me to welcome you to Venustia PSO.

We as Venustia are super excited to be part of your journey at the university. The journey you are about to go on will be filled with a lot of opportunities, memories and growth. Being a commuting student for these past two years was not always nice,

however Venustia was from the

beginning a home away from home and made it possible for me to experience all these opportunities and memories and definitely played a big role in my growth. I can still remember my very first day when everything was so unsure and unfamiliar at the university, but I have been led and comforted by the house committee, mentors, and committee's and I hope that you will experience the same love and warmth that I did when I first arrived at Venustia. May Venustia be the place where you can make life-long bonds, find the support you need and have the time of your life!!

PS. Life is the art of drawing without an eraser. ♥

Message from our PSO Coordinator:

Dear Venustia Newcomer.

Congratulations with your acceptance at Stellenbosch University and a warm welcome to Venustia. Studying at Stellenbosch University is a great honour and I wish you all the best as you enter this challenging yet exciting phase of your life. As a prospective first year you stand at the beginning of an exciting period in your life.

As PSO Coordinator, I am responsible for managing Venustia, along with its House Committee and the Mentors. We are your support network that will assist with your academic and social integration at the University. Please, if you have any questions, do not hesitate to ask. Venustia believes in a value driven system. We consider these values in all we do.

I encourage you to make the most of this experience and to take a hold of each and every opportunity that comes your way. In today's world, a degree can only get you so far. Your experience at Venustia PSO is what will allow you to go further and to leave Stellenbosch University as a well-rounded graduate. Venustia is your portal to an exciting out-of-class and co-curricular experience which will go a long way to giving you an upper hand one day when you graduate.

We look forward to meeting you and I can assure you that you will be welcomed into our family with open arms.

Regards,

Jethro G. Georgiades

That Venustia will create wonderful memories and be your home away from home!

Anika Faul

Dear Swans,

Venustia is what it is known to all other Swans as a home away from home. It may sound like a cliché, but it is the place where friends become family, A place where you can feel safe and part of something bigger. Venustia is true to its name by making us strong and independent to enjoy the time in university to its fullest.

Lethabo Maluleke

Hello and congratulations on becoming a swan. You're probably experiencing mixed emotions about this new adventure, but I assure you that it's no strange feeling. I would actually be a bit worried if you had no feelings at all. I'm excited to meet you and I know you'll enjoy interacting with a vast team of mentors always at the ready to assist you and take you on your journey in your first year as a swan.

Here's to new beginnings and creating great relationships. Always remember that every adventure requires a first step, so don't be afraid to take initiative while you're here. If anything I ENCOURAGE it 200%.

RUBIX:

After you have settled in to your home, Venustia, you will get to know your neighborhood, Rubix. Rubix is one of the seven clusters at Stellenbosch University. Each cluster consists of various PSO's and residences and the objective of cluster is to ensure that students experience the University as a caring and nurturing place and that residence students and PSO students are integrated.

Venustia, Pieke, Heemstede, Metanoia, Nerina and Hippokrates are the 6 PSO's and residences that make up our cluster, Rubix! Whether you are missing mom's food and in desperate need of a home cooked meal or you need academic help from other students studying the same course as you, these houses will be able to help you in those elds and many more. You can easily have lunch or dinner at one of your neighbors by booking a meal at Heemstede or Metanoia (number 87 and 106 on the map).

10. Confirm meal booking.
11. Done!

What Venustia has to offer:

Culture

Whether it is Acappella, molassesêr, debating or "Toneelfees", there is something for everyone to take part in! We also regularly do culture evenings with other residences or PSO's which is night where you can show of your talent. If singing, dancing or acting it not your strong suite, try molassesêr! It is loads of fun and this group of Swans always has great gees!

Events:

Venustia offers many social events throughout the year such as:

- First Years dance
- Seniors dance
- Huisfondsdans
- House dance
- Connect Tour
- Swanedinee
- Interactions with other PSO's and residences and many more.

We love attending these events as it is an opportunity to see the Swans that are not as involved in Venustia and to get to know them better. We always have a great time!

Sport

Want to avoid first year's syndrome? Talk to Anika, our Sports HK, to join one of our sport teams! Venustia currently have netball, hockey and table tennis, but each year we see if there is enough interest for any other sport and if there is we make a team. We compete against other PSO's and residences and joining a sport will not only keep you in shape, but also be an opportunity to make great friends!

Leadership development!

It is very important to us that the skills of all our Swans are developed and not just those of our positional leaders, therefore to us leadership development is the development of the leadership skills of all members of the house. We advertise all Frederick van Zyl Slabbert leadership courses to all our house members and encourage them to attend!

What is connect, social impact and Vensters and how does it all link?

Connect, is a student driven non-profit organization aimed at assisting students in their social impact projects. Where all funds raised are used to empower communities. They believe in engaging with Stellenbosch students, to start up and run their social impact / community service projects on and off campus. They aim to help students and communities excel, by achieving their maximum potential and they believe in assisting students to leave a positive impact wherever they place their foot. Vensters is an event where all PSO's and residences get partnered with another PSO or residence and perform a script together on a stage to compete against the other partnerships. Riëtte and Mignon, our Vensters HK's have been working very hard on our script with our Connect Partners, Goldfields (whoop whoop!) The script must be based on your house's social impact project. Our main social impact project for the year is Breast Cancer Awareness so therefor it is our theme for our Vensters script! Vensters is great fun! It is an opportunity to meet new people and if dancing or acting isn't really your thing, that's ok! Many of us are born with two left feet, but we can assure you, you will not regret taking part in Vensters, because it is an experience you will never forget! Here's what a few of our Swans have to say about their Vensters experience...

Venustia + Goldfields

= VenGold

You can buy Vensters tickets from us!

“Vensters kicks o your Stellenbosch journey with a bang! It is one of my fondest memories” -Mia Black

“Vensters was an unforgettable experience! We had such great laughs and so much fun at the practices :)” -Amber Viljoen

“Vensters helped me realise that in University I could be any person I wanted to be. In High School, I wouldn’t have done anything that would draw attention to me, but since I didn’t know anyone here

I took on one of the main characters at Vensters and I really enjoyed it!”

-One of our Swans

“Vensters was truly the highlight in my first year. I had the opportunity to meet so many new people and the action of us coming together and delivering a performance, was awesome. After all the practices and finally performing, one truly feels part of Stellenbosch and the hype and energy is overwhelmingly encouraging.”

Dear Student

CHARGING FIRST YEAR PACKETS TO STUDENT ACCOUNTS

Welcome to the PSO community of Stellenbosch University! You have been assigned to a PSO (private student organisation) due to the fact that you have not elected to stay in a residence in 2019. During the annual welcoming period in the beginning of the year, residences and PSOs take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because PSO's do not have a dining hall (although some PSO's will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, PSO first years are provided with "welcoming packages". These packages usually consist of a number of meals, clothing, water bottles, caps and other items unique to the particular PSO. During PSO registration on the first day of Welcoming (Wednesday, 23 January 2019), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from PSO to PSO). Each PSO will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgment of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses. **Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.**

Acquiring the "welcoming package" is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact me at 021-808 4854 / 2791 or psosun@sun.ac.za

Desember 2018/Januarie 2019

Beste Student,

HEFFING VAN VERWELKOMINGPAKKIE-KOSTES OP STUDENTEREKENING Welkom by die PSO-gemeenskap van die Stellenbosch Universiteit! Aangesien jy nie in 'n koshuis woonagtig is nie, is jy in 'n PSO (Privaat Studente Organisasie) ingedeel. Tydens die jaarlikse Verwelkomingsperiode neem koshuise en PSO's verantwoordelikheid om die eerstejaars op 'n verwelkomende wyse aan Stellenbosch Universiteit bloot te stel.

Aangesien die PSO's nie oor 'n eetsaal beskik waar studente maaltye kan geniet nie, (alhoewel daar reëlins getref word deur sommige PSO's om etes in die oop eetsale te geniet), word daar vir die eerstejaars “verwelkomingpakkies” saamgestel. Dit bestaan gewoonlik uit 'n sekere aantal maaltye, klerasie, waterbottels, pette, en soortgelyke items wat eie is aan die betrokke PSO. Tydens registrasie by die PSO op die eerste dag van Verwelkoming (Woensdag, 23 Januarie 2019), het u die opsie om hierdie verwelkomingpakkie aan te skaf teen 'n vasgestelde bedrag (wat kan wissel van PSO tot PSO). Elke PSO bied ook verskillende opsies aan student (etes en klerasie / slegs etes / slegs klerasie). Stellenbosch Universiteit maak gebruik van 'n kontantvrye sisteem wat studente in staat stel om die pakkies makliker te verkry. U, of u ouers of voog, gaan dus op die dag 'n erkenning van skuld moet teken sodat die klerasie, voedsel, ens vir die verwelkomingsperiode aan u beskikbaar gestel kan word. Na registrasie sal die koste dan teen die betrokke studenterekening gehef word vir betaling saam met alle ander studentverwante uitgawes. Neem asseblief kennis dat sodra u die vorm onderteken het, u aanspreeklik sal wees vir die koste van die verkose pakkie, ongeag of u al u etes geneem het en ongeag of u die klerasie nie meer wil hê of dra na die eerste paar dae nie. Die verkryging van die “verwelkomingpakkie” is nie verpligtend nie, maar ons wil u tog aanmoedig om dit wel op te neem. Vind asseblief aangeheg die vorm vir u voltooiing. U is welkom om dit saam te bring volgende jaar.

Indien u enige vrae het, kontak ons gerus by 021-808 4854/2791 / psosun.ac.za
