WELCOMING YOU
TO THE FAMILY

IMPORTANT INFO

WHAT IS A PSO?

A Private Student Organisation (PSO) is a community structure that supports students living in private accommodation. A PSO does not offer accommodation. PSO's provide a wide variety of activities, initiatives and support structures to help you thrive as a student and give you a well-rounded University experience.

You can have a glimpse of Olympus' offerings in this booklet and on our social media pages.

70 Merriman Avenue, Stellenbosch Central

WHAT IS OLYMPUS?

Established in 2012, Olympus has become a prominent figure within the larger Stellenbosch community, with our aim on inclusivity and growth.

Olympus is a value-driven community and a family-away-from-home for our fellow Olympians. We celebrate individuality while still recognising the power of collaboration and treating each other with dignity and love. We strive to provide you with the co-curricular opportunities you need to thrive!

OLYMPUS MISSION

Olympus aligns itself with the University's goal to produce well rounded students, to enable our members to be their optimal selves. We use our values as our guide to ensure members learn to be independent and well versed in the cultural diversity in our country, as well as on campus.

We continuously strive to provide our members with every possible opportunity to enable and empower themselves, in order to be able to grow into well-rounded individuals as well as global citizens. We use our values as a guide to ensure members learn to be independent and well-versed in the cultural diversity in our country, as well as on campus. Part of reinforcing our values is our range of inclusive activities, we provide academic, sport, social, leadership and cultural opportunities and activities that our members can participate in.

This year, we'll also be working hard to ensure that we keep our members safe amidst the COVID-19 pandemic by adapting our existing activities, expanding our virtual presence and keeping our community informed.

PRIMARIUS DANIEL OLIVIER

BSc Computer Science

Greetings Olympians!

My team and I are looking forward to provisionally welcoming you all to Stellenbosch University. 2021 isn't going to be a conventional year, but we won't be slowing down. We're working hard to create a Welcoming experience that will continue to be a highlight, while still prioritising your safety.

Uncertainty, nervousness and excitement often accompany the start of your journey as a student. Luckily, you won't be going on this journey alone! I hope Olympus introduces you to best friends, challenges you and creates as many fond memories as it has for so many others.

Do not hesitate to ask questions, explore new opportunities and talk to strangers.

You got this!

PSO COORDINATOR JETHRO GEORGIADES

Dear Olympus Newcomer

Congratulations with your provisional acceptance at Stellenbosch University and a warm welcome to Olympus. Studying at Stellenbosch University is a great honour and I wish you all the best as you enter this challenging yet exciting phase of your life. As a prospective first year you stand at the beginning of an exciting period in your life.

As PSO Coordinator, I am responsible for managing Olympus, along with its House Committee and the Mentors. We are your support network that will assist with your academic and social integration at the University. Please, if you have any questions, do not hesitate to ask. Olympus believes in a value driven system. We consider these values in all we do.

The last year has been an extremely challenging year for us all with 2021 lining up to be just as complex. In these tricky times our communities, relationships and ability to constantly evaluate our context has become more important than ever.

The fallout from COVID-19 has shown us just how unstable our world can be. This instability has also however brought the best out of us. We have forged new paths, built new relationships and innovated in ways we could never have imagined. The PSO Space has ensured that students, even when physically isolated from one another, still remain connected to each other as well as campus life.

I encourage you to make the most of this experience and to take a hold of each and every opportunity that comes your way. In today's world, a degree can only get you so far. Your experience at Olympus PSO is what will allow you to go further and to leave Stellenbosch University as a well-rounded graduate. Olympus is your portal to an exciting out-of-class and co-curricular experience which will go a long way to giving you an upper hand one day when you graduate.

We look forward to meeting you and I can assure you that you will be welcomed into our family with open arms.

Regards,
Jethro G Georgiades
PSO Coordinator

HOUSE COMMITTEE

FADEELAH WILLIAMS

Vice-Primaria of Administration

As-salaamu Alaykum Wa rahmatulahi
Wa barakatu.

I basically do as the name says, all things administration concerning the House Committee. My other responsibilities include House -as in all Olympians- discipline and maintenance. I promise to lead a transparent informed term in office to the best of my abilities and I look forward to serving the community in my term!

JODY ABRAHAMS

Vice-Primarius of Internal Relations

Hi everyone!

I know my title sounds “hella” serious, but trust me when I say I am a goofball.

Like many of you are going too, I have walked and am still walking the path of being a student and trust me guys I know the struggle is real, so please do not ever be afraid to reach out to me.

I believe that the only way we as a community can grow is by learning from each other and I pride myself on being a lifelong learner.

If I were to describe myself in three words, they would be passionate, empathetic and charismatic.

I look forward to the year ahead with all of you and trust and believe that together we are going to shake campus up.

HOUSE COMMITTEE

ODI CHADINHA

Social Media & Marketing

Aloha!

I am Eoudia Francesca Chadinha and I unfortunately don't have a bestfriend called Garfield.

I am on the edge of my seat for the journey ahead - not only for you, but for what is to come for us as Olympians this year!

Olympus is many things - one of them being a place where memories are made and true friendships are built. I intend to do exactly that - I hope you do too.

Feel free to slide in the dm's of @olympus_pso if you have any ideas - I would love to hear them!

A word of advice:

Don't let the wrong mindset withhold you from making friends that might just last a life time.

Be kind • Be open-minded • Be yourself.

Love and prosperity

ABIGAIL BACKMAN-DANIELS

Sport & Safety

Greetings Olympus!

I'm your local geek! I am honoured to be serving Olympus during my term and extremely excited for what lies ahead.

Until next time:

May the Force be with you!

Live long and prosper!

So long and thanks for all the fish!

See you in the future!

HOUSE COMMITTEE

KAY-LEIGH VAN DER MERWE

Social Impact, Connect & Sustainability

Hey everyone.

I am very passionate about my portfolios and cannot wait to share my initiatives and ideas for growing Olympus and the communities surrounding us.

I'm very excited for everything that is to come and to be apart of the 2020/2021 house committee, because one thing I know for sure is that we are not a committee of elected quitters!

MISHKA LEWIS

Seniors Committee

What's good Olympians!

As a modern-day Prometheus, I consider myself to be a person of forethought and crafty counsel, with a hint of culture and trickster energy.

(づ ●_●)づ

With these virtues, I'll be striving to add spice into everything I do for Olympus, so please always feel free to voice your concerns and ideas to me.

University is wild, and it can bring you down but it's never the end of the world. You can outlive these moments and prosper if you persist.

I look forward to serving you.

Peace. (「● ω ●」)

HOUSE COMMITTEE

NATALIE MASHELE

Financial Manager

Hi everyone!

One thing that I live by is, “Everyone sees what you appear to be, but few experience what you really are”.

At first glance, I may appear to be really intimidating, but underneath all of that is a sweet, playful, and compassionate person.

So, I encourage you to allow yourself the opportunity to be part of the few that gets to experience who I really am. I wish us all a great year ahead.

HEATHER MAE LAWSON

Culture & Branding

Hello Olympians!

I am a 3rd year BA Drama and Theatre Studies Student who you will, more often than not, find hanging around the Adam Small Theatre Complex, belting show tunes and making a complete fool of myself. (Don't worry though, the fool is a much loved character- so I don't mind)

I can't wait to share a year of culture, creativity, arts, and fun with you all.

Lights, camera, ACTION!

HOUSE COMMITTEE

RYAN PRETORIUS **Alumni & Technology**

Hay Olympus community!

I cannot wait to begin this term and to work towards strengthening the already solid foundations that we have as a house.

This is our home, and I want nothing less than the best for you and for our community.

Wishing you all a healthy and a successful final term, remember our long holiday is around the corner!

VUKILE MASEKO **Head Mentor & Academics**

Hello Olympians!

I'm a Third year Drama and theatre studies student, and the Head Mentor.

I am from Pretoria (The 012), 10:00 am is early, I'm always down to have a conversation about a Series or movie.

I have very animated reactions and you will always hear me making meme references.

Really excited to be apart of the House Committee, to work with all the elected leadership and most importantly to make beautiful memories with everyone.

MENTORS

Mentors play a big part in the lives of newcomers as they are the faces frequently seen during Orientation week. They are there to aid newcomers in their first year, by availing themselves to questions and possible resources they would need for their first year on campus. As a part of this, Mentors are required to frequently check in with their newcomers to make sure their first year is as smooth as it can be.

SENIORS COMMITTEE

The Seniors Committee is a body within Olympus made to provide our members, and more specifically our senior members, with the tools to enable and empower themselves beyond the doors of Olympus.

This is envisioned with the values of Olympus as a guide to creating well-rounded members of society by offering inclusive activities, such as skills and training in occupation search and application, sport, social, leadership and cultural opportunities and activities throughout the year.

You will also be seeing them around Welcoming, so don't be afraid to say "Hi"! They are there to create a welcoming and homey atmosphere for all newcomers.

CULTURE

Welcome to Olympus Culture. Stellenbosch University is renowned for their cultural scene and bustling cultural activities year-round from Vensters and SU Acapella to the critically acclaimed national arts festival, Woordfees. Olympus PSO proudly offers a range of cultural activities for you to take part in. These include a drama-based Festival called Toneelfees, targeted towards our writers, actors and backstage enthusiasts. SU Acapella is a major event on campus and truly encompasses this campus' and our PSO's passion for the arts. Olympus PSO proudly made it to the semi-finals of SU Acapella 2019.

Vensters is our first cultural milestone of the year, incorporated into the Welcoming Programme, newcomers are able to learn dances, act in a scripted play and have a blast while forming valuable connections.

The Culture Portfolio makes a point to host monthly and termly events such as The Virtual Exhibition on a monthly basis via our Social Media accounts and an Open Mic Night each term that takes place physically and/or via our Social Media account.

We cannot wait to see what creativity and talent you will bring to our vibrant community!

Regards,
Heather Mae Lawson

SPORT

A variety of sport as well as online gaming is offered by Olympus for its members and is always looking for new sporting codes to add. Online gaming was added in 2020 due to the unforeseeable circumstances of COVID-19 which forced everything to move online, including sport. In light of this, we also use the term 'sport' in the broadest sense possible to include conventional physical sport, online gaming, chess & boardgames.

SOCIAL IMPACT

Olympus will be involved in various projects and initiatives targeted at aiding and helping not only the communities surrounding us, but also those within our community. These projects take place throughout the year and are open to any volunteers.

We are the youth of South Africa and therefore have a responsibility to ensure a positive impact and change to the social injustices we face. Whether this be through planned PSO events, unplanned events that may pop up and even initiatives of other communities that we partake in.

CONNECT

We as Olympians do not stay under one roof, yet, we connect and maintain our high energy and spirit as a community throughout our social gatherings.

Vensters is a fun, annual fundraising project which aids “MGD” (Maties Community Service), in an aim to uplift the Stellenbosch Community. Each PSO and residence is partnered up and presents a script, including choreographed dances, which is then performed together by our new comers.

Vensters 2021 will take place virtually, and this year we have been partnered up with Goldfields! Spectators can watch the prefilmed performances on YouTube and vote for the one they like best.

CLUSTER

Welcome to the Validus cluster!

A place of belonging. A second home
away from home. A life-long community.

WHAT IS A CLUSTER?

A cluster is a student community within SU, comprised of PSOs and residences. These clusters are determined by geographical proximity and serve as physical, on-campus spaces for PSO students to meet and integrate with on-campus students. Along with forming connections within your community, clusters allow for facilities provided by the residences to also become available for use by the students who are registered to a PSO.

WELCOMING OVERVIEW

Dear Prospective Newcomers

As you know due to the COVID-19 pandemic times have been tough but in the wise words of Demi Demi tough times never last.

This welcoming we aim to prioritize your safety and campus experience above all else. Thus, we have implemented a shift approach where you all will be split into groups, minimizing contact. Welcoming starts 4 March and group schedules will be sent out in the near future. Please see the link at the end of this booklet.

We have planned numerous events which we think will not only ready you for campus life but also keep you all engaged and help you discover the wonders of that which is Stellenbosch.

WELCOMING OVERVIEW

As I said prior your safety is our first priority and this is why we will be doing screening when you arrive and sanitising on a regular basis. You will all be socially distanced and will not be forced to take part in any event which makes you feel uncomfortable.

We have devised a booking system in which you will have to book in order to participate in in person events this will however work on a first come first serve basis but hope is not lost for those unable to secure spots all events will be live streamed to your living room.

We are super excited to get to know you and wait in anticipation for your arrival.

Sincerely,
Jody Abrahams
Welcoming Leader

February 2021

Dear Student

CHARGING FIRST YEAR WELCOMING PACKAGES TO STUDENT ACCOUNTS Welcome to the PSO community of Stellenbosch University! You have been assigned to a PSO (private student organisation) due to the fact that you have not elected to stay in a residence in 2021. During the annual welcoming period in the beginning of the year, residences and PSOs take responsibility for exposing first years to Stellenbosch University in a welcoming manner.

Because PSOs do not have a dining hall (although some PSO's will arrange meals for their students in dining halls during the welcoming period) where students can enjoy meals, PSO first years are provided with "welcoming packages". These packages usually consist of a number of meals, clothing, water bottles, caps and other items unique to the particular PSO. During PSO registration on the first day of Welcoming (Tuesday 2nd or Wednesday 3rd March 2021), you will have the option of purchasing one of these welcoming packages at a set price (which may vary from PSO to PSO). Each PSO will also offer different options (both clothing and meals, only meals, only clothing, etc.) that students can then select. Please see the bottom of this email for more information.

Stellenbosch University utilizes a cashless system to allow students to purchase these packages hassle free. You, or your parents or guardian, will have to sign an acknowledgement of debt on the day so that the clothing, food, etc. for the welcoming period can be made available to you. After registration the cost will be charged to your student account to be paid with all other student-related expenses. **Please note that once the form is signed you will be liable for the costs of the package selected, regardless of you having all the meals or not, or not wanting the clothing after the first few days.**

Acquiring the "welcoming packages" is not compulsory, but we do want to encourage you to take the opportunity to do so as it will make your welcoming period a much more enjoyable experience. Please find attached the form for your completion. You are welcome to print the form and bring it along.

If you have any questions, feel free to contact me at 021-808 3023 / 2791 or psu@sun.ac.za
