DISCUSSION:

1. Constitutional Compliance Task Team

The Student Parliament Committee is to finalise and vote on this task team's mandate and applications therefore are to open in the week. In terms of the Constitutional Review Task Team, responsible for the internal review of SP's Constitution, applications will open in the following week and the two Deputies are to finalise this procedure.

2. Co-curricular application progress

The next meeting with the Co-curricular head office is to occur on the 27th of May. The aim is to ensure submission by August, by maintaining a standing date every two weeks with Tygerberg to collaborate. The main issues experienced are deep confusion and uncertainty regarding what the application requires and the busy schedules of all three members of the steering committee.

3. Die Stal Opening Alumni Event

As of yet, no date has been received for this event, making planning incredibly difficult.

4. Communication

Due to the fact that only the Speaker has access to the studpar email address, and all three members of the Steering Comm are overwhelmed, communication has faltered within the SC but also between the Speaker and external actors. As such, a new plan was devised to ensure openness of communication and to allow for a greater sharing of obligations among the members of the SC>

11. Closing

The meeting is adjourned at 18:15
