5. ACTIVATION OF STUDENT CARD FOR 2017

Student cards can only be issued / re-activated once the 2016 student account has been settled in full and the first instalment for study and accommodation fees reflects on the student account.

Blocks may only be lifted for the activation of a student card if the 2016 student account has been settled in full and the student can provide proof of the following:

1. An External bursary (not SU) indicating the costs that will be covered by the funder on the letterhead of the funder with their e-mail address and contact details. SU bursary students do not need to provide a letter and can activate their cards directly after registration.
