

# PhD in Food Science or PhD (Agric)

## ***Programme Code***

5471001 or 274100

## ***Programme Description***

The doctoral programme in Food Production Systems is at least two years, but depending on the field of study could take longer to complete. You choose a relevant research project in consultation with your supervisor. The programme contributes at a high level to the Faculty of AgriSciences' research profile and delivers professional individuals who can play an important role in teams with regards to research, teaching and policy-making in the speciality areas of sustainable food and nutrition security in an environmentally-friendly manner. See section 2.4 in this chapter for general information on the PhD degree in the Faculty of AgriSciences.

## ***Programme Content***

### ***Compulsory Module***

21210: Food Science	978(360): Doctoral dissertation
---------------------	---------------------------------

## ***Assessment and Examination***

After completion of the research you must submit a dissertation to the satisfaction of the examiners and present a seminar. You will be expected to defend your dissertation during this seminar.
