

3.5.3 PhD in Food Science

Programme Code

5471001

Programme Description

The doctoral programme in Food Production Systems is at least two years, but depending on the field of study could take longer to complete. You choose a relevant research project in consultation with your supervisor. The programme contributes at a high level to the Faculty of AgriSciences' research profile and delivers professional individuals who can play an important role in teams with regards to research, teaching and policy-making in the speciality areas of sustainable food and nutrition security in an environmentally-friendly manner. See section 2.4 in this chapter for general information on the PhD degree in the Faculty of AgriSciences.
