

## 3.4.2 Programmes in Entomology

### 3.4.2.1 MSc or MScAgric in Entomology

#### Programme Code

5981001 or 2731011

#### Specific Admission Requirements

- The BScAgric degree or a BScHons in a suitable subject field.
- An average final mark of 60% for the major subject.

#### Duration of Programme

This programme extends over a minimum of one year but may take longer to complete.

#### Programme Content

You determine your topic for the master's degree in consultation with the lecturer concerned. You can select a topic from fields which include morphology and systematics, insect conservation ecology and integrated pest management of insects.

#### Compulsory Module

34576: Entomology	818(180): Master's thesis
-------------------	---------------------------

#### Assessment and Examination

After completion of the research you must submit a thesis to the satisfaction of the examiners and present a seminar. You will be expected to defend your thesis during this seminar.
