

# MAgric (Agri-business Management)

## *Programme Code*

2781011

## *Specific Admission Requirements*

- The one-year BAgricHons degree, as well as other qualifications that Senate has approved for this purpose.
- An average final mark of 60% for the major subject.

## *Programme Description*

After completion of the degree BAgricHons you can apply for admission to the degree MAgric (Agricultural Economics). The programme consists of a research component and is designed to develop your ability to undertake independent research in terms of problem-solving, multidisciplinary approaches and scientific scholarship. After completion of the programme you will be able to carry out independent investigations in selected aspects of the agricultural and related sectors. The research component focuses on the management of agriculture-related industries and agricultural economic analysis. Independent research must be carried out on a suitable topic within the broad framework of agricultural potential assessment, international competitiveness or structural changes in agriculture.

## *Programme Content*

### *Compulsory Module*

15504: Agricultural Economics	818(180): Master's thesis
-------------------------------	---------------------------

## *Assessment and Examination*

After completion of the research you must submit a thesis to the satisfaction of the examiners and present a seminar. You will be expected to defend your thesis during this seminar.
