Selection

The number of students selected will be influenced by, among other things, staff capacity, availability of the School's resources as well as academic merit and University transformation objectives. As staff capacity and resources fluctuate from year to year, the number of students selected can differ from year to year.

Should the applicants who meet the admission requirements exceed the capacity of the School, the criteria of the admission requirements will be used to rank the applicants in order of suitability, and to finalise the list of selected applicants.

Application procedure and closing date
