

# General LLM

## *Content of the programme*

### **Modules**

The curriculum for the general LLM by coursework is not formally organised according to department and there is no uniform set of prescribed modules. You are invited to compile a curriculum from modules offered by the Faculty. To do this, choose four modules from the list provided below. However, please note the following restrictions on your selection:

- It must be approved by the Faculty Board.
- It must fit into the timetable.
- The lecturer involved must be available for the relevant semester (if you start your studies in June, it is therefore important to consult the prospectus for the following year as soon as it becomes available).
