

# PhD in Sport Science

## *Admission requirements*

- a) You must have one of the following qualifications:
- a master's degree in Sport Science from this University;
  - another master's degree approved for such purpose by Senate; *or*
  - a standard of competence in your particular field of study attained in some other manner and deemed adequate by Senate for admission to the programme.
- b) After having consulted with the departmental chair, you must apply for admission in writing. State the proposed dissertation topic, supervisor and places of study.
- c) You must also submit a research proposal and an academic transcript.

The Postgraduate Programme Committee will decide on admission, taking the infrastructure of the Department into account.
