

# BScHons in Anatomy

## *Specific admission requirements*

One of the following qualifications from a recognised institution:

- BSc with Anatomy as major subject, and Biochemistry, Physiology, Genetics, Microbiology or Zoology as an additional major;
- MBChB or BChD;
- BTech with appropriate subjects and motivation. Depending on the specific field of study, additional work may be required or you may be required to complete an admission examination; or
- any other relevant qualification approved by Stellenbosch University Senate.

For all of the abovementioned qualifications you must have obtained at least 65% in the Anatomy modules of the second and third years, and at least 65% in the additional major.

## *Application procedure and closing date*

Apply online at [www.maties.com](http://www.maties.com) by **30 September** of the previous year. Applications for prospective international students close on **31 August**.

## *Duration of programme*

The programme extends over one year on a full-time basis and two years on a part-time basis.

*Please note:* The formal programme starts in the first week of January.

## *Programme description*

The programme aims to address the national shortage of anatomists. It consist of a theoretical and a practical component which will not only enable you to be involved in training, but will also equip you with a thorough knowledge on the use of human tissue for research purposes.

## *Programme content*

### *Compulsory modules (100 credits)*

Anatomical Techniques and Laboratory Practice	771(10)
Gross Regional Anatomy	771(20)
Microscopic Anatomy and Histological Technique	771(20)
Legal and Ethical Aspects and Use of Animals in Research	771(10)
Assignment (Anatomy)	771(40)

### *Elective modules*

Choose modules to a total of 20 credits.

Clinical and Surgical Anatomy	771(10)
Comparative Anatomy	771(10)
Developmental Anatomy	771(10)
Physical and Forensic Anthropology	771(20)
Human Anatomical Variation	771(10)
Radiological Anatomy	771(10)

### ***Assessment and examination***

- You must obtain a subminimum of 50% for each of the following assessment components:
  - an assessment covering the subject content of the compulsory modules (50% of final mark);
  - an assessment covering the subject content of the elective modules (17% of final mark); and
  - successful completion and submission of the assignment (33% of final mark).
- The final mark is determined by calculating the weighted average of the marks you obtained in each of the assessed components.
