

BScHons in Biokinetics

Specific admission requirements

- A bachelor's degree with Sport Science as one of the majors and which Senate has approved for this purpose.
- You must apply in writing to be admitted to the programme by Senate, or the Executive Committee that acts on behalf of Senate.
- An average final mark of at least 60% in Sport Science subjects (theory and practicals) during your undergraduate years.

Application procedure and closing date

Apply in writing to the departmental chair or Registrar by **31 July** of the previous year. Only a limited number of students will be accepted to the Biokinetics specialisation.

Duration of programme

The programme extends over one year on a full-time basis.

Programme content

An internship period that meets the conditions laid down by the Health Professions Council of South Africa (HPCSA) will be required before you can apply for registration as a biokineticist in an independent practice.

Compulsory modules

Biokinetics Practice	772(20)
Ergonomics	775(20)
Exercise Physiology	774(20)
Exercise Science	771(30)
Research Project	773(30)

Assessment and examination

The programme is assessed flexibly and includes theoretical and practical assignments, as well as informal class tests and formal tests. All assessments contribute to the final mark for each module.

You must obtain a class mark of 40% per module for admission to the written examination. To pass Biokinetics Practice 772, you must pass the written examination with at least 50%, as well as pass a practical and an oral examination at the end of the year with at least 50%. The final mark for each module consists of 50% of the examination mark and 50% of the class mark.
