

BScHons in Medical Microbiology

Please note: The name of this degree programme will change to BScHons in Infectious Disease Pathology and Immunology pending approval by the Council on Higher Education.

Specific admission requirements

- A relevant BSc degree from a recognised university with a combination of appropriate subjects, such as Microbiology, Biochemistry, Biotechnology and Genetics.
- A pass mark of 60% or higher in the final year.

Application procedure and closing date

Apply online at www.maties.com by **30 September** of the previous year. Applications for prospective international students close on **31 August**.

If the number of applicants exceed the intake capacity, the Postgraduate Programme Committee of the Division of Medical Microbiology will shortlist candidates on the basis of their *curriculum vitae*. Final selection will be done after a brief interview.

Duration of programme

The programme extends over one year on a full-time basis or two years on a part-time basis.

Programme content

Theory of Medical Microbiology	776(60)
Practical Research Project	771(60)

Assessment and examination

- Assessment of the theoretical module is done by means of:
 - flexible assessment (5% of the final mark);
 - a semester examination (20% of the final mark);
 - a final examination (20% of the final mark); and
 - an oral examination (5% of the final mark).
- Assessment of the practical research project module is done by means of:
 - research related workbooks;
 - assignments and seminars; and
 - a mini-thesis (50% of the final mark).
- You must obtain a subminimum of 50% for each module to pass.
