

Master of Public Nutrition

Specific admission requirements

- An NQF level 8 qualification (or international equivalent) in Health Science, Science or Agricultural Science.
- Experience and practice in public health nutrition will serve as an additional advantage.
- For admission to the research stream, you must have knowledge of research methodology and experience in the planning and implementation of a research project (at undergraduate level and professionally), or you must have otherwise attained a standard of competence deemed adequate for such purpose by Senate.

Programme description

You can follow one of two streams for the Master of Public Health Nutrition programme, namely:

- Master of Public Health Nutrition (structured option); and
- Master of Public Health Nutrition (thesis option).

The structured stream is presented by means of technology-mediated teaching and learning.

The two streams are set out separately in more detail below.
