Assessment and examination

- The Part III (final) examination consists of the following:
 - Written examination of two three-hour papers of three questions each. Each question consists of three parts.
 - Clinical examination of one-hour based on the assessment of patients.
 - A half-hour *viva voce*/OSCE examination on prepared material for examination provided to you.
- The HPCSA requires that you successfully complete the single national exit examination to register as a specialist.
- The Division of Otorhinolaryngology acknowledges this examination as equivalent to and substituting the MMed (ORL) Part II examination.
- It, however, remains the responsibility of the head of the Division to confirm the following:
 - successful completion of clinical training time;
 - submission of a completed case-book;
 - successful completion of an assignment according to the regulations of the University in this regard; and
 - successful completion of flexible assessment.
