

# BEdHons (Language Education)

## *Specific admission requirements*

- A high level of achievement (60%+) in the final-year language modules of your undergraduate studies.

## *Programme content*

The BEdHons (Language Education) programme deepens your knowledge of language education in Afrikaans, English and isiXhosa. In addition, it focuses on multilingual education, creative writing and lexicography.

*Please note:* The elective modules are not necessarily all offered every year. As a rule, a limited number of students is required. Because of the structure of the programme, only students who follow the programme over two years will have the option of offering two languages as Curriculum Studies modules. Please contact the programme coordinator should you want to do this.
