

BComHons (Economics)

Admission requirements

- A bachelor's degree with an average mark of at least 60% for Economics 3.
- At least 60% as your achievement mark in the intensive Mathematics course that precedes the formal programme.
- Grade 12 Mathematics at least 60%.

Application procedure and closing date

Apply at www.sun.ac.za/pgstudies. For South African applicants, the closing date is **31 October** of the year before your intended studies, and for international applicants, it is **30 September**.

Duration of programme and starting date

Duration: One year, full-time. You must complete the programme within three years. If you do not, you will have to repeat the compulsory modules.

Starting date: You must complete a three-week intensive Mathematics course before the formal programme. This intensive course starts early January.

Programme structure

You can choose one of the two focal areas for this programme:

- Pure Economics or
- Financial Economics.

Each focal area consists of compulsory as well as elective modules. The semester in which the modules are presented may change at short notice from year to year.

This programme requires full-time class attendance.

Programme content

Programme module

You must earn a total of at least 120 credits for this programme.

Code	Module	Credits	Module Name	Semester
12084	778	120	Economics	Both

A maximum of 20 credits may be obtained from a related field of study that has been approved by the Department of Economics.

Focal area: Pure Economics*Compulsory modules*

Code	Module	Credits	Module Name	Semester
