You must complete a research assignment on a topic approved by the Faculty Board and under supervision of an appointed supervisor. The length of the research assignment is 15 000 to 20 000 words (including footnotes, but excluding bibliography).

4. The LLM programme

The LLM programme gives you seven options: You may choose the research option or one of the five coursework options or the professional coursework option. The basic admission requirements are the same for all the options but for some of them you must also undergo selection.

4.1 Admission requirements for LLM studies

This is a selection programme and only a limited number of students will be admitted on academic merit. Even if you meet the minimum admission requirements, your admission is not automatically guaranteed. You may apply for admission to the LLM programme if you:

- have an LLB degree conferred by this University or any other bachelor's degree in Law (excluding the Bluris degree) and have attained an average of 60% in the final year of the degree, or
- have attained a comparable achievement in another (for example, foreign) qualification, or
- have attained a level of proficiency or accomplishment in Law which, in the judgement of Senate, is regarded as adequate for this purpose.

International students

If you are an international student applying for admission to the LLM by coursework programme, you must submit proof of your current level of proficiency in English (for example, your IELTS or TOEFL scores). This requirement does not apply if English is your home language or if you have completed your first degree in English.

Waiver of 60% requirement for LLM (research)

You may request and obtain a recommendation from a potential supervisor that the admission requirement of a minimum mark of 60% be waived for LLM (research). For such a request to be considered, you must submit an overview of no more than 600 words of the envisaged study and a sample of previous research of approximately 2 000 words to your potential supervisor. Your potential supervisor must confirm that they have the necessary capacity to perform the function of supervisor. Your potential supervisor must motivate in writing and recommend the waiver to the Research Committee for approval.

4.2 Selection

All the options for the LLM by coursework are subject to selection based on academic merit. Whilst the minimum admission requirement is specified as a 60% average in the final year of your previous degree, your full academic record is considered during the selection process. If you did not complete your previous degree in N+1 years (i.e. at most one year more than the minimum period specified for the degree), you cannot expect to be admitted, even if you have achieved the 60% average for the final-year modules of your undergraduate degree. If you apply for the coursework LLM in Intellectual Property Law or the Professional LLM in Intellectual Property Law, you must also write a selection essay.

The research option is also a selection programme and to be admitted to it, you must undergo a complete selection process. More information is available on the Faculty website at www.sun.ac.za/law.
