

Call: H2020 Green Deal - 21 funding opportunities (d-date 26 January 2021)

Dear colleagues

Herewith information on the EU Horizon 2020-funded **Green Deal call**.

This €1 billion call is the last and biggest call under *Horizon 2020* (*HorizonEurope 2021-2027 is the new EU framework programme*). The EU has launched this call for research and innovation projects **to respond to the climate crisis** and it includes **opportunities for international cooperation** in addressing the needs of less-developed nations, **particularly in Africa**. Projects are expected to deliver tangible and visible results relatively quickly.

The call includes 21 topics and covers 8 thematic areas:

Increasing climate ambition
Clean, affordable and secure energy
Industry for a clean and circular economy
Energy and resource efficient buildings
Sustainable and smart mobility
Farm to fork
Biodiversity and ecosystems
Zero-pollution, toxic-free environments

And 2 horizontal areas: strengthening knowledge and empowering citizens

The Green Deal call will support:

- pilot applications, demonstration projects and innovative products
- innovation for better governance of the green and digital transition
- social and value chain innovation

Types of funding: Research Innovation Actions (RIA) and Innovation Action (IA)
