Dear Colleagues

**ERA-MIN3** is a global, innovative and flexible network of 26 European and non-European research funding organisations, aiming to continue **strengthening the mineral raw materials community** through the coordination of research and innovation programmes on non-fuel and non-food raw materials (metallic, construction, and industrial minerals). ERA-MIN3 builds on the experience of the H2020 ERA-MIN 2 (2016-2022) with an indicative budget of **€19 Million**.

The scope of the 2021 call is needs-driven research addressing three segments of non-fuel, non-food raw materials: metallic materials; construction materials; industrial minerals (see 2 pager attached) .

**The five main call topics are:**

- Topic 1. Supply of raw materials from exploration and mining
- Topic 2. Circular Design
- Topic 3. Processing, Production and Remanufacturing
- Topic 4. Recycling and Re-use of End-of-Life Products Recycling and Re-use of End-of-Life Products
- Topic 5: Cross-cutting topics.
