 - **Subject:** Call: M-ERANET International Joint Call 2020 (First deadline 16 June 2020)
 - **Date:** Thu, 30 Apr 2020 12:31:45 +0000
-

Dear colleagues

Herewith information on the international [M-ERA.NET call 2020](#). ERANET is an EU funded network in which 28 countries participate with a total budget of €20 million national funding.

Link to: [List of participating countries and regions](#).

Objective: to fund transnational RTD projects addressing materials research and innovation, including materials for low carbon energy technologies and related production technologies.

Pre-Proposal-Deadline: 16 June 2020.

Thematic areas supported (see attached guidelines p18 for detailed information per topic):

Modelling for materials engineering and processing

Innovative surfaces, coatings and interfaces

High performance composites

Functional materials

New strategies for advanced material-based technologies in health applications

Materials for additive manufacturing

Funding: Each respective project partner has to apply individually for **national/DSI funding**. As soon as you have decided to apply, please contact: Toto Matshediso, Deputy Director: Strategic Partnership, DSI: Tel : +2712 843 6339; **E-mail:** Toto.Matshediso@dst.gov.za
