Postdoctoral Fellowship

Scope of Research: We are seeking to appoint a post-doctoral fellow to work on joint research proposals/projects related to the Centre's current trajectory on inclusive health management within the African context.

Requirements: A Ph.D. in health systems including HIV/AIDS and/or rehabilitation Studies or related fields relevant to the intended project goals (must have graduated within the last five years).

The candidate should:

1. Have very good academic writing and analytical skills
2. Be organised and outcomes focused
3. Some familiarity with the critical discourses /methodology/ies would be an advantage
4. Excellent time management and accountability
5. Work well in a team but self-motivated

Commencement date: 22 November 2024

Closing date: 13 December 2024

Enquiries: Dr Chioma Ohajunwa (Host)
Africa centre for HIV/AIDS Management
Faculty of Economic and Management Sciences
Stellenbosch university
Chioma@sun.ac.za /27 21 808 9548

Send a letter of application, accompanied by a comprehensive curriculum vitae, including a list of publications and the names and contact details of at least two referees, to Chioma@sun.ac.za

- Applicants should request their referees to forward confidential reports by the closing date directly to the same address.
- Note: Postdoctoral fellows are not appointed as employees and as their fellowships are awarded tax-free, they are not eligible for employee benefits.
- The University reserves the right NOT to make an appointment if suitable candidates do not apply.
- The contract is for one year, renewable for another year subject to the availability of funds and satisfactory academic progress (annual performance reviews must be held).
