## Postdoctoral Fellowship

**Scope of Research:** The neurosurgery operational database has identified over 6500 patients with various pathologies. This has led to three major research fields namely vascular neurosurgery, paediatric neurosurgery and neurotrauma being set up. Each of these will require research coordination (project setup, ethical and institutional approvals, analysis and publication) and oversight with publication as measurable target.

**Requirements:** Ph.D. (must have graduated within the last five years)  
Experience in biostatistics  
Publication experience and record

**Commencement date:** 01 October 2025

**Closing date:** 31 December 2026

**Enquiries:** [ianvlok@sun.ac.za](mailto:ianvlok@sun.ac.za)

Send a letter of application, accompanied by a comprehensive curriculum vitae, including a list of publications and the names and contact details of at least two referees, to [ianvlok@sun.ac.za](mailto:ianvlok@sun.ac.za)

Please note that postdoctoral fellows are not appointed as employees, and their fellowships are awarded tax-free. They are therefore not eligible for employee benefits.

**Host:** Division of Neurosurgery, Room 4024, Clinical Building, Tygerberg Medical Campus, Parow, 7505

- Applicants should request their referees to forward confidential reports by the closing date directly to the same address.
- Note: Postdoctoral fellows are not appointed as employees and as their fellowships are awarded tax-free, they are not eligible for employee benefits.

**The University reserves the right NOT to make an appointment if suitable candidates do not apply.**
