

2023 Due Dates for the electronic submission of moderated question papers using the new online submission portal

For May – June 2023 main assessment period:

Tuesday, 02 May 2023

Final day for the electronic uploading of moderated papers for the first and second main assessment opportunities (A2 and A3) for May and June 2023 by lecturers using the new online portal (question papers are duplicated by the Assessment Office).

Electronic cover sheets will be generated automatically according to the question paper information that will be uploaded by the lecturer onto the system.

More information will be communicated to you by Mr Cedric Bezuidenhout.

For November 2023 main assessment period:

Monday, 09 October 2023

Final day for the electronic uploading of moderated papers for the first and second main assessments opportunities (A2 and A3) in November and December 2023 by lecturers using the new online portal (question papers are duplicated by the Assessment Office).

Electronic cover sheets will be generated automatically according to the question paper information that will be uploaded by the lecturer onto the system.

More information will be communicated to you by Mr Cedric Bezuidenhout.
