Dear Matie

Welcome to our family. Thank you for choosing Stellenbosch University (SU) to prepare you for your future. Among the reasons for your choice are probably our excellent academic offering and our vibrant student life. This is the Matieland experience!

You are joining an institution that educates thought leaders for the future. At SU we cultivate innovative thinking and responsible leadership. Our vision is to become more inclusive, innovative and future-focused. We will achieve this by broadening access to the University, maintaining our excellence and increasing our impact on society.

SU is among the top 300 universities in the world according to the Times Higher Education World University Rankings 2014-15. These rankings measure a university on the basis of its teaching, research, knowledge transfer and international outlook. On the cultural front we had many highlights in 2014, among them the Stellenbosch University Choir's record of 99% in the category for Mixed Choirs at the World Choir Games held in Riga, Latvia. The choir was named champions in three categories. These examples illustrate the University's excellence across a broad range of activities.

SU is also a leader in the field of student support and we boast an average first-year success rate of 86% over the past few years against the national average of 50%. Make sure you know what assistance is available and where to find it. Do not delay. Be sure to ask for help sooner rather than later. If you work hard and make use of the available support, there is no reason why you cannot succeed.

We believe that inclusivity and diversity promote excellence. Mutual respect, understanding and empathy for each other's differences and opinions go hand in hand with this. And these form the basis of the campus culture that we want to create. Comments and jokes may seem harmless from your frame of reference, but could be offensive to a fellow student.

Exciting new experiences await you, and to prepare yourself, I would recommend this booklet as well as the welcoming programme, which you'll receive upon your arrival in January 2015. Our welcoming programme has been carefully designed to meet your needs and make your adjustment easier. If you fully utilise the academic introductory sessions, you will be properly prepared once lectures start.

The Maties student experience is not limited to University residences. Residences and private wards have been grouped together in clusters, with a hub that serves as a social and academic gathering place. Find your 'home' on campus, and join in. But remember that you are not forced to participate in any group or residence activity. If something bothers you, please feel free to politely say that you prefer not to participate. Also feel free to report any complaints. If the problem is not resolved to your satisfaction, the Vice-Rector: Learning and Teaching, and the University's ombudsman may be contacted. The contact information is available in this booklet and on the University's website (www.sun.ac.za).

Stellenbosch is not a safe enclave that escapes the current crime trends in our country. It actually is a place where thousands of smartphones, computers and cars converge: all items with a resale value that attract criminals. Therefore the same precautions that you would take to ensure your safety elsewhere in the country, should be applied here in Stellenbosch also: more information is available at www.sun.ac.za/safety and elsewhere in this booklet.

I do believe you will forge lasting connections with your fellow students in the coming years and will enjoy the maximum benefits the available opportunities offer you, allowing you to one day look back with appreciation on your time spent here as the best years of your life.

With best wishes

Prof Leopoldt van Huyssteen Acting Rector and Vice-Chancellor

OUTLINE Stellenbosch Campus Welcoming Programme

academic, general and social integration

22 – 31 January

This is only an outline of the programme. All new students will receive the comprehensive welcoming programme upon arrival on campus in January.

THURSDAY 22 JANUARY

08:00 - 12:30	New students report to residences and PSO wards Parents' meetings as arranged
12:00 - 13:00	Information session for Recruitment Bursary candidates (Stellenbosch campus only)
12:30 - 15:00	Walk in session for students with Special Learning Needs (Disabilities) and their parents
15:30 - 16:30	Compulsory session for AgriSciences students
14:00 - 17:00	Parents' introduction to faculties (excluding students except where indicated otherwise)
17:00 - 18:00	'Dream Launch'
18:00 - 19:00	OFFICIAL WELCOMING

FRIDAY 23 JANUARY

08:00 - 12:00	Cluster morning for all new students
13:30 - 16:30	Faculty meetings in various faculties
14:30 - 16:00	Compulsory session for all Arts and Social Sciences
14:00 - 16:00	Academic registration of new first-yea students for the B of Occupational

students for the B of Occupational Therapy and Speech-Language and Hearing Therapy programmes who could not self-register

SATURDAY 24 JANUARY

09:00 - 12:00 Compulsory Language Placement Tests: All faculties, except Tygerberg 14:00 - 20:00 Societies Fair and Pool Party

PROJGRAMM E/ OUTULINE/

MONDAY 26 JANUARY

08:00 – 17:00 Academic registration / CUA registration / faculty meetings / library visits

TUESDAY 27 JANUARY

08:00 - 17:00 Academic registration / CUA registration / faculty meetings / library visits

WEDNESDAY 28 JANUARY

- 08:00 13:00 CUA registration / faculty meetings / library visits
- 16:00 18:00 Sports club meetings with sports managers for prospective club members

THURSDAY 29 JANUARY

09:00 - 12:00

Community interaction and development (participation in various activities and projects in the community by students and staff)

18:00 – 23:00 "Vensters" street theatre

SATURDAY 31 JANUARY

Closure functions of clusters and residences as arranged by clusters/residences

OFFICIAL WELCOMING PROGRAMME FOR NEW STUDENTS ENDS

MONDAY 2 FEBRUARY

Official commencement of classes for both new students and seniors

Be a clever piggy.

Enjoy fantastic savings on our new and second hand books and make use of our student accounts.

We do it differently

t: 021 882 9101/5 • f: 021 882 9110 • e: proteaboek@mweb.co.za Bergzicht Plaza, Andringastraat, Stellenbosch The official welcome of new students (Stellenbosch campus, Tygerberg campus and Faculty of Military Science) and their parents, student leaders and staff will take place at 18:00 in the Danie Craven stadium. The pre-programme (Dream Launch), organised by MAD² starts at 17:00, also in the stadium.

Dream Launch

This event will be the start of an exciting welcoming week where first year students will each receive a balloon on which they can write their dreams. The more or less 5 000 balloons will be released into the air during the official opening in the Danie Craven stadium. The aim of this event is to create a sense of unity and belonging, to set your own objectives and to dream big. This will also show the rest of Stellenbosch that the new Maties are in town!

Parking arrangements

Parents are kindly requested to park at the Coetzenburg sports fields and the Coetzenburg Centre near the Danie Craven stadium for their introduction to the faculties as well as the official welcoming event. Parking on the central campus is limited, and in support of our environment we request that parents park at Coetzenburg and walk to the venues where the introduction to the faculties will take place. Most venues are within walking distance. See the table on p 10 for time slots of the meetings, as well as the map on p 38 to determine the location of the venues.

The Faculty of Engineering is the only exception. It is too far from Coetzenburg to walk, but parking is available at the faculty. Parents should take traffic congestion into consideration when driving to Coetzenburg after meeting with the dean.

Traffic congestion

Please take the high volume of traffic on all access routes to Stellenbosch, in town and at Coetzenburg into account when planning travelling time, parking and walking distance to the different venues. The pre-programme for students will start at 17:00 and we suggest that you take your seat as soon as possible after your introduction to the faculty, to enjoy that part of the programme. Comfortable clothes, walking shoes, a hat and a bottle of water are also recommended. It can be very windy at Coetzenburg: a light jacket or windbreaker may be a good idea.

WELCOMING of new students and their parents at DANIE GRAVEN STADIUM

Thursday, 22 January 18:00 – 19:00

Shuttle service

A shuttle service will operate in a circular route from the parking area at the Coetzenburg Centre to the Konservatorium (Conservatoire of Music) on the corner of Neethling and Victoria streets. Parents and students who have difficulty walking are welcome to make use of this service. Look out for the vehicles with a Maties bus or Stellenbosch University logo.

Whisper interpreters

Stellenbosch University wants to welcome new students and their parents in a language-friendly manner. Whisper interpreters and senior students (with neon-coloured bands) will assist those who do not understand Afrikaans. If you would like to make use of this service, it is recommended that you take up a seat on the main stand as early as possible. An announcement will be made regarding the interpreting service and where the earphones may be obtained.

Information officers

Information officers (dressed in clearly visible T-shirts) will be at Coetzenburg and on the central campus. Please ask them for assistance or directions. The Administration B building (Victoria Street opposite Wilgenhof) and the Administration A building (on the T junction of Ryneveld and Crozier streets) both have an enguiries desk.

Parents' INTRODUCTION to FACULTIES

excluding students, except where indicated otherwise

Thursday, 22 January

A :C :	14.20 15.20	
AgriSciences	14:30 – 15:20	Parents meet the Acting Dean, Prof Danie Brink
		Venue: Lecture Room 1002, JS Marais building (no 61 on the map)
	15:20 – 16:30	Parents visit departments
		Venue: Parents will be accompanied from the JS Marais building to the various departments
Arts and Social	14:00 - 15:00	Parents of BA (Sport Science) students meet lecturers
Sciences		Venue: Hall A, Sport Science building (no 84 on the map)

		Venue: Paul Roos hall, Paul Roos Gymnasium (bottom right on the map)
	15.20 17.20	
B of Occupational	15:30 - 16:30	Parents AND NEW STUDENTS meet with the Executive Head, Interdisciplinary
Therapy and B of		Health Sciences, Prof Usuf Chikte
Speech Language and		Venue: Lecture hall 201, Sports Science building, Coetzenburg (no 84 on the map)
Hearing Therapy		
Economic and	15:30 - 16:30	Parents meet the Dean, Prof Stan du Plessis
Management Sciences		Venue: Coetzenburg Centre, Coetzenburg (no 18 on the map)
Education	15.00 - 15.30	Cool drink and water
Education	15.00 15.50	Venue: Foyer, Room 3001, GG Cillié building (no 76 on the map)
		venue. Poyer, Noom soor, dd enne bunding (no 70 on the map)
	15.30 16.30	Parents meet the Dean, Prof Maureen Robinson
	13.30 - 16:30	
		Venue: Room 3001, GG Cillié building
	14.20 17.00	Devente most lestures (este esturit, (est estimations
	16:30 - 17:00	Parents meet lecturers / opportunity for asking questions
		Venue: Room 3001, GG Cillié building

Engineering	15:30 – 16:30	Parents (Afrikaans) meet the Dean, Prof Hansie Knoetze Venue: Reitz hall, General Engineering building (no 51 on the map)
	15:30 – 16:30	Parents (English) meet the Vice-Dean, Prof Anton Basson Venue: Room A303B, General Engineering building
Law	14:30 – 15:30	Parents meet the Dean, Prof Sonia Human Venue: JC de Wet hall, Ou Hoofgebou (no 72 on the map)
	15:30 – 16:30	Parents – Opportunity for individual questions Venue: JC de Wet hall, Ou Hoofgebou
Sciences	14:00 – 14:30	Assistance available to parents with individual questions regarding modules and programmes Venue: Foyer, Mathematical Sciences & Industrial Psychology building (no 67 on the map)
	14:30 - 16:00	Parents meet the Dean, Prof Louise Warnich Venue: Mathematical Sciences & Industrial Psychology building, Lecture hall 3001 (Afrikaans) OR Lecture hall 1005 (English)
Theology	15:00 - 16:00	Parents meet the Dean, Prof Nico Koopman Venue: Attie van Wijk Auditorium, Faculty of Theology (no 80 on the map)

for NEW STUDENTS

Friday, 23 January

Take note: There are also compulsory meetings for students on Monday, Tuesday and Wednesday, 26 – 28 January. Students will receive the comprehensive programme upon arrival on campus.

AGRISCIENCES

It is compulsory for all AgriSciences students to follow the full programme.

Students who follow the programmes BSc Food Science, BSc in Conservation Ecology, BScAgric Viticulture and Oenology General and BScAgric Oenology Specialised follow the Faculty of AgriSciences welcoming programme.

The programme Agricultural Production and Management (BAgric) is being offered in collaboration with the Cape Institute for Agricultural Training: Elsenburg. Students receive their training at Elsenburg campus and follow the Elsenburg welcoming programme (enquiries: 021 808 5457).

08:00 - 12:00	Cluster meeting
14:00 - 17:00	Compulsory for all stud
	Presentation of Academic

Programmes

(all programmes: Plant and Soil Sciences; Food and Wine Production Systems; Animal Production Systems; Agricultural Economics and Management;

udents

Forestry and Natural Resource Sciences; Conservation Ecology)

Venue

Lecture room 1002, JS Marais building (no 61 on the map)

ARTS AND SOCIAL SCIENCES

08:00 - 12:00	Cluster meeting
14:30 - 16:00	Compulsory session: All Arts and Social Sciences' students with a NSC average of between 57% and 59,9% meet the First Year Academy about the extended degree programme (EDP) (see p 24 for more information)
Venue	Room 1012, RW Wilcocks building (no 71 on the map)
14:00 - 16:00	Information kiosk for unsure and/or confused students
Venue	Foyer, RW Wilcocks building

PLEASE NOTE: The official welcoming programme of the Faculty of Arts and Social Sciences starts on Monday 26 January from

09:00 until 17:00. Students meet according to their programmes in the following venues:

- Room 3001, RW Wilcocks building: BA in Humanities
- Room 1001, RW Wilcocks building:

BA in Language and Culture; BA in Social Dynamics; BA in Drama and Theatre Studies; BMus; BA in Music; BA in Visual Arts; Higher Certificate in Music; Diploma in Practical Music

• Room 1012, RW Wilcocks building:

B of Social Work; BA in Human Resource Management; BA in Socio-Informatics; B of Occupational Therapy; B of Speech, Language and Hearing Therapy

 Room 1028, GG Cillié building (no 76 on the map): BA in Sport Sciences; BA in International Studies; BA in Development and Environment; BA in Political, Philosophical and Economic Studies

ECONOMIC AND MANAGEMENT SCIENCES

08:00 - 12:00	Cluster meeting
14:00 - 15:30	Information session

All new students in the following programmes attend this session:

BAcc, BCom (Fin Acc), BCom (Management Accounting), BCom, BCom (EDP), BCom (Management Sciences), BCom (Economic Sciences), BCom (Math Science), BCom (Industrial Psychology), BCom (Act Science)

- 14:00 Welcoming and introduction of the Dean by the Chairperson: Economic and Management Sciences Student Committee (EMSC)
- 14:10 Welcoming by the Dean, Prof Stan du Plessis
- 14:15 Vice-Dean, Prof Ronel du Preez (Teaching)
- 14:20 Faculty Secretary, Ms Nazli Daniels Programme choices, admission requirements,

language practice, and registration procedure

- 14:45 Faculty Manager, Mr MJ Brooks Timetables, facilities and other necessary information
- 15:00 Question and answer session (optional). First-year lecturers from the various departments will be available to answer the individual questions of students
- Venue Dutch Reformed Church (Kruiskerk), at the corner of Victoria- and Ryneveld Street (see map on p 38)

EDUCATION

- 08:00 12:00 Cluster meeting
- 14:00 15:00 Welcoming
 - Meeting with the Dean, Prof Maureen Robinson
 - Orientation regarding Faculty of Education and BEd programme
 - Academic support to newcomer students
 - Education bursary and time table
 - Meeting with the Education Student Committee
 - General information regarding registration
- VenueLokaal 1028, GG Cillié-gebou
(nr 76 op die kaart)15:00Cool drinks15:00 16:30Enquiries regarding registration,
programme and modules
- Venue Foyer, GG Cillié building

ENGINEERING

08:00 - 12:00

Cluster meeting No formal programme for the rest of the day

LAW

G

K

H

08:00 - 12:00	Cluster meeting
	in the programmes LLB, BCom (Law),) and BAccLLB
14:00 - 14:45	Welcoming by the Dean
Venue	Room 3001, RW Wilcocks building (no 71 on the map)
14:45 - 15:45	Information session: General background and practical information for new students (the University, the Faculty of Law, members of staff, administrative and support services)
	Venue Room 3001, RW Wilcocks building
15:45 - 16:30	Opportunity for individual enquiries, Ms Karin Wiss, Mr Bradley Greenhalgh & Mr Shirle Cornelissen
	Venue Room 3001, RW Wilcocks building

SCIENCES

08:00 - 12:00	Cluster meeting
13:30 - 14:50	Welcoming
Venue	 Meeting with the Dean, Prof Louise Warnich Orientation regarding programme offering of the Faculty Mathematical Sciences & Industrial Psychology building (nr 67 on the map), Lecture hall 3001 (Afrikaans) OR Lecture hall 1005 (English)
15:00 - 16:00	Guidance to students according to programme
Programme	Human Life Sciences (Biology) and (Biology with Psychology)
Venue	Lecture hall 1005, Mathematical Sciences & Industrial Psychology

Programme Plek	Molecular Biology and Biotechnology Lecture hall 201, JC Smuts building (no 53 on the map)
Programme Venue	Biodiversity and Ecology Lecture hall 2020, Natural Sciences building (no 69 on the map)
Programme Venue	Sport Science Organisation of the Sport Science practical programme, timetable and the ordering of Sports Science uniforms (compulsory) Lecture hall 203, JC Smuts building
P rogramme Venue	Physics Lecture hall Beta 3002, Merensky building (no 66 on the map)
Programmes Venue	Mathematical Sciences Lecture hall 3001, Mathematical Sciences & Industrial Psychology building
Programmes Venue	Chemistry Room 2003, De Beers building (no 54 on the map)
Programmes Venue	Earth Science and Geo-informatics Lecture hall 1004, Chamber of Mines building (no 70 on the map)

THEOLOGY

08:00 - 12:00	Cluster meeting	
14:00 – 15:00 Venue	General orientation to the faculty Hofmeyr Hall, Faculty of Theology	
15:00 - 15:30	Undergraduate bursary office	
15:30 - 16:30	Identity vs Identity - Theology Student Committee	

Your journey to academic success STARTS HERE....

University is not a super high school – it is something entirely different. Therefore, do not expect your welcoming at SU to be anything like your welcoming at a high school or school hostel.

he welcoming period is the start of your journey to academic success. This learning journey continues for as long as you study at Stellenbosch University (SU). In the welcoming week already, you start to integrate the various parts of your life at SU, and you will learn that the residences, PSO wards and clusters are value-driven environments characterised by hospitality, friendliness and dignity.

As first-year student, you enter a phase of rapid development. Remember, your social and emotional adjustment to the university experience constitutes an integral part of your learning journey and personal development. In particular, keep the following in mind:

A first-year experiences a period of intense change, during which 'familiar' attitudes, values and behaviour patterns are often adjusted and developed. This also facilitates the development of challenging and inspiring thought patterns. (Research shows that you and your fellow first-years are more susceptible to change during the welcoming period than in any other stage of your university careers.)

Your introduction to social and community structures during the welcoming week is important. These include structures such as clusters, residences, PSO wards, mentor groups, faculties (such as study and tutor groups), sport clubs and societies.

Role models who live by the University's values and achieve success on their learning journeys may be of great value to you. As part of the welcoming programme, it is extremely important for you to adhere carefully and timeously to the administrative and academic requirements of your faculty. This will ensure that you are ready for the commencement of the academic part of your learning journey on the very first day of class.

The two most important development phases of a first-year's learning journey are:

- coping with freedom (when and how to say no); and
- negotiating on your own behalf.

Start with these in the welcoming week already. Measure everything in the welcoming programme against the following questions, and ask yourself how the various aspects of the welcoming programme fit into the bigger picture. Remember, this includes everything, even your own decision sometimes not to participate in activities:

- How does this promote my journey to successful studies (learning journey)?
- Does it introduce me, as a first-year, to positive social relations/groups?
- Does it contribute to emotional stability and emotional development?
- Does it help me to join sound listening, living and learning communities, and encourage me to participate both independently and interdependently?
- Does it create a relaxed, safe and constructive listening, living and learning space, where I can get clarity on the nature, content, choice and form of my learning journey?

CAMPUS SURVIVAL 101

Some things you'll need to make a roaring success of your varsity life

THE BOOKS

'Cause studying is, after all, the reason you're here. Well, mostly...

THE ACCESSORIES

You might as well look good while you carry your books around.

THE GADGETS

In today's world you need more than just a pen and notebook. Connect with the world in the electronic age. THE STATIONERY

You never know when that crush of yours will unexpectedly run out of ink and need to borrow a pen...

We know that your first year on campus can be overwhelming. With our wide range of academic & other books, stationery, electronics, computer accessories, lifestyle products and e-textbooks, Van Schaik Bookstore is the best new friend you'll make this year. Come on over and find everything you need.

TWO OPTIONS to register as student

here are two different options available for you to officially register as a student of Stellenbosch University in January 2015, namely self-registration (e-registration), or by using the registration process in NARGA on the Stellenbosch campus, that takes place during the welcoming programme according to a fixed schedule per faculty.

It is important that you consult the notice on registration that will be sent to you separately by the Registrar of the University, as all the information that you need to decide whether you want to register yourself, or whether you rather want to register in NARGA during the welcoming programme, will be given in the notice. All the necessary dates, times, documentation required and other important information will be contained in the notice. The system for self-registration will be accessible from 14 to 29 January. If you have done the National Senior Certificate or the IEBcertificate, you will be able to register yourself. Candidates from other school systems cannot make use of selfregistration.

Self-registration can be done from any computer with access to internet on www.mymaties.com. We wish to urge you to use this option, as you will know before leaving for Stellenbosch whether you meet the admission requirements of the study programme to which you were provisionally admitted and, if so, that you were finally accepted and registered as student. You will then just have to acquire your student card at the Student Centre (Neelsie) in Stellenbosch, in the time slot determined for your faculty's registration in NARGA. It is, however, important that you attend the full welcoming programme.

If you cannot or do not want to register yourself, you must consult the notice on registration that will be sent to you to ensure that you report for registration at the right date and time at NARGA, with all the necessary documents that are required (see further on for documents required).

NARGA-registration at the Stellenbosch campus is scheduled for Monday 26 and Tuesday 27 January. Please note that first-year students who have not registered on these dates and who obtain special permission to register late, will have to register later in the course of that week in NARGA together with the senior students of their faculty. First-year students, who register later than that, will be charged a levy of R500.

If you do not register yourself, it is your responsibility to ensure that you comply with all the admission requirements of your study programme before you leave for Stellenbosch. If you are going to register in NARGA, you must show the following original documents when you report for registration in your faculty's allotted registration time slot:

- 1. Advice of Results of the 2014 NSC or IEB final schoolleaving examination.
- 2. NSC or IEB candidates who matriculated in 2013 or earlier: National Senior Certificate.
- 3. Candidates from other school systems: School-leaving certificate/s and certificate of university exemption issued by the SA Matriculation Board.
- 4. Candidates who studied at other universities: The document/s mentioned at 2 or 3 above, as well as a full academic record and a certificate of good conduct issued by the university concerned.
- 5. If you are not a South African citizen: a valid study permit.

Please take note of the notice regarding the writing of the National Benchmark Tests (see p 27).

open daily from 08:00 - 20:00, as well as emergency hours on weekends and holidays.

All Stellenbosch clusters will meet on Friday 23 January from 08:00 – 12:00

CLUSTERS

1411

A cluster is made up of a number of residences that are geographically close to one another as well as a PSO ward or two. Clusters play a significant role in the integration and support of new students on campus and ensure that students experience the University as a caring and nurturing place. They also integrate the university experience of residence students, day students and students in private accommodation.

Mentors are appointed to support new students in adjusting to university life and are allocated in cluster context. Find out who your mentor is as soon as possible. Clusters are increasingly used as a way of organising the University, for example, Faculties now tend to employ clusters as a basis on which to form subject tutor groups.

The residences and the PSO wards belong to one of six clusters on Stellenbosch campus. Tygerberg campus forms a seventh cluster.

CLUSTER MEETING (Stellenbosch campus)

Students (both residence and PSO) meet in their clusters to learn how their social integration at the University could support their academic success. Students will meet others in their cluster who follow the same programmes and learn how they could become involved in the ResEd initiative as well as how their mentors could assist them. In addition, they will be introduced to the academic support groups at the University, such as the First-year Academy (FYA) and the Academic Affairs Council (AAC).

HOW CAN PSO STUDENTS (NON-RESIDENCE STUDENTS) BECOME INVOLVED?

The members of the Private Student Organisation (PSO) are students who do not live in residence – approximately 70% of all the University's students. This organisation involves students in social and academic events on campus in the same way a residence would have done. The PSO ward does not provide accommodation to members, but PSO students may use their student cards to book meals to have at a residence in their particular cluster.

There are ten PSO wards on Stellenbosch campus and one on Tygerberg campus. New students are randomly divided into PSO wards. Students are notified in writing or by SMS of the specific PSO ward to which they have been allocated. Together with the residences, PSO wards form clusters. The PSO ward to which a student has been allocated also determines the cluster to which that student belongs. Should you not receive any notification of your PSO allocation, please contact Client Services on tel 021 808 9111 or info@sun.ac.za.

COMPOSITION OF CLUSTERS

ama M aties	Erica, Helderberg, Huis Neethling, Nemesia, Serruria and the PSO wards, Equité and Libertas
Rubix	Heemstede, Metanoia, Nerina and the PSO wards Pieke and Venustia

B OF OCCUPATIONAL THERAPY AND B OF SPEECH-LANGUAGE AND HEARING THERAPY

Please note that students in the programmes B of Occupational Therapy and B of Speech-Language and Hearing Therapy join the programme of the Faculty of Arts and Social Sciences for the duration of the welcoming programme, except for the meeting with the Dean (see p 10) and registration, for which other arrangements will be made. (For more details on registration, please consult the notice in this regard that will be sent to you separately.)

B of Occupational Therapy students also have a session at the Tygerberg campus on **28 January from 09:00 until 16:00**. Report to room 1018, Division of Occupational Therapy, Education Building (no 2 on the map), Tygerberg campus.

work . play . connect

WHERE TECHNOLOGY LIVES

IT HUB, Information Technology's brand new, modern, **one stop walk-in centre** will sort out your **technological gremlins and other nasties** in no time.

Visit us at www.sun.ac.za/ithub or in the Admin A building (entrance below the bridge on the Rooiplein)

Students in MB, ChB, BSc in Physiotherapy, and BSc in Dietetics join the programme on Tygerberg campus (see p 45).

BAgric (ELSENBURG)

The programme Agricultural Production and Management (BAgric) is presented in collaboration with the Cape Institute for Agricultural Training: Elsenburg. Students receive their training at Elsenburg, and will therefore also follow the Elsenburg welcoming programme.

Enquiries: Desiree Chinasamy-Dampies, tel 021 808 5457 or DesireeCD@elsenburg.com

Visit the website for more information: www.elsenburg.com.

CAREER DEVELOPMENT

Prospective students are encouraged to start a career development process as early as possible, before they register. An informed career choice (and thus the choice of a suitable study programme) depends on extended self-knowledge and knowledge of the world of work. Psychologists who specialise in career counselling can assist you in this process. Please feel free to contact the Centre for Career Advice at tel 021 808 9543 or info@sun.ac.za for an appointment with a registered psychologist.

First-year students can also make use of the service of the Centre for Student Counselling and Development (CSCD) for further support in their career development process. It can include confirmation of a possible programme choice as well as a possible change of programme choice.

Stellenbosch students can contact the CSCD at tel 021 808 4707 or visit them at 37 Victoria Street (no 8 on the Stellenbosch campus map) to make an appointment.

Tygerberg students can contact the CSCD at tel 021 938 9590 at the Tygerberg office or visit them on the 3rd floor of the Tygerberg Student Centre (no 10 on the Tygerberg campus map) to make an appointment.

CONSERVATION ECOLOGY, FOOD SCIENCE, AND VITICULTURE AND OENOLOGY

Students who intend studying the programmes BSc Conservation Ecology, BSc Food Science, BScAgric Viticulture and Oenology, or BScAgric Oenology Specialised follow the **Faculty of**

AgriSciences' welcoming programme.

COMPUTERS ON CAMPUS

- Students may connect their own computers to the University's campus network, subject to certain conditions.
- You may bring along your own PC or purchase a new laptop through the University's STP (Student Technology Programme) at http://stp.ac.za.
- For all computer and IT-related information, please visit our website at http://www.sun.ac.za/ITHUB or send an e-mail to student@sun.ac.za.
- To avoid long queues, there is a remote registration process that may be followed for all private PCs.

For more information, follow this link:

https://stbsp01.stb.sun.ac.za/innov/it/it-help/Wiki%20Pages/ Student%20Private%20Computer.aspx

COMPUTER USER AREAS (CUAs)

Students also register at the computer user areas.

To be able to register:

- you must take note of the University's Electronic Communications Policy at http://www.sun.ac.za/ecp/;
- you must already be registered as a student;
- your student card must be activated and magnetised, and you must have your card with you;
- you will need your student number;
- you will need the letter or sms containing your password that you received in the mail; and
- you MUST know your student number and your ID number.

CONSTRUCTION ON CAMPUS

Stellenbosch University is constantly busy improving facilities on campus for the benefit of staff and students. For this reason, please take note that during the academic year building will possibly be taking place in and around the accommodation facilities on campus.

The first phase of an ambitious housing project that is partially funded by the DHET has reached completion during 2014. It provides housing on campus to about 770 students who previously had to find housing elsewhere. Locations for subsequent phases of the housing project are currently being explored. Furthermore, continuous maintenance and upgrade projects are also continuing as usual.

Because continuous building is happening on several terrains on campus and initially everyone is affected negatively in some way, no "discount" regarding residence tariffs will be considered. The question of 'who will be given discount and who not?' will result in a situation too tricky to handle. Students and their parents can be assured, however, that the well-being, safety and academic progress of students are always priority and that the University will do everything possible to limit inconvenience as much as possible.

During times of building all possible arrangements will be made for the safety of students and their belongings. For bigger projects, regular meetings will be held to which representatives of the residences will be invited in order to keep them updated on all matters and ensure that students are inconvenienced as little as possible.

No noisy work will be done during the first exam opportunity. In the week leading up to the start of the first exam opportunity, restrictions will be placed on working hours to ensure the residents are given sufficient opportunity to prepare for the upcoming examinations.

All statutory requirements regarding occupational safety will be adhered to and the contract team and workers of

each project will be clearly identifiable. The safety of our students is of cardinal importance.

FIRST-YEAR ACADEMY

The First-year Academy (FYA) is a comprehensive University initiative that focuses on promoting the success of first-

year students and improving the quality of student learning. To achieve this objective, the FYA facilitates various programmes and activities relating to first-year success and creates opportunities for faculties and support services to work together in an integrated structure. In this way, the FYA provides a unique and focused environment for firstyear students to achieve success.

INSURANCE: STUDENTS AND THEIR PROPERTY

"A safe campus for all" – these words give expression to a core aspiration of Stellenbosch University (SU). Not only does SU conduct a continuous campaign to make staff, students and visitors aware of potential risks that may threaten their safety and/or health, but where necessary, the Division Risk Management and Campus Security is made use of, as well as the South African Police Service, to continually enforce and monitor security measures. Students participate in academic trips, laboratory experiments, sport and other voluntary activities where they can be exposed to risks. The University takes all reasonable measures to protect students and their property when they participate in these activities and during their daily campus life. It is however impossible to eliminate all risks. Since it is not possible for the University to protect students and their property against all risks, students therefore participate in all University related activities on their own risk. The University does not take out personal insurance against accidents, medical insurance or any other insurance on behalf of students. The University would like to draw attention to the fact that each student is responsible for his/her own insurance and therefore recommends that he/she takes out sufficient comprehensive insurance for his/her personal possessions, as well as insurance against accidents and/or medical insurance.

LANGUAGE PLACEMENT TESTS FOR ALL FIRST-YEAR STUDENTS (COMPULSORY)

"During the past few years the language placement tests (for Afrikaans and English) were written as part of a battery of tests written by all prospective students. From 2013 these tests are administered separately as part of the welcoming programme for new students. As in the past, all new students should write these tests. This strategy forms an integral part of the University's language planning and is essential

- (a) to annually form a general idea of the language skills of our students, and to gather information that would inform strategic language planning, and
- (b) to support the placement of students in different language modules and other language support mechanisms in the relevant faculties. It is particularly important to keep in mind that school results in language subjects do not provide reliable information to measure the linguistic preparedness of students."

- Prof Arnold Schoonwinkel: Vice-Rector (Learning and Teaching)

SATURDAY 24 JANUARY 09:00 - 12:00

- Faculty of Engineering students write in the Engineering building in Banghoek Road
- Faculty of AgriSciences students write in the Education building (GG Cillié) in Ryneveld Street
- Faculty of Science students write in the RW Wilcocks building in Ryneveld Street
- Faculty of Theology students write in the Accounting and Statistics building on the corner of Bosman and Victoria Street

- Faculty of Education students write in the Education building (GG Cillié) in Ryneveld Street
- Faculty of Law students write in the Accounting and Statistics building on the corner of Bosman and Victoria Street
- Faculty of Arts and Social Sciences students write in the Engineering building in Banghoek Road
- Faculty of Economic and Management Sciences students write in the Accounting and Statistics building and the Van der Sterr building, both on the corner of Bosman and Victoria Street (report to either of the two buildings)
- Occupational therapy students and Speech-Language and Hearing therapy students write in the Engineering building in Banghoek Road
- Jewish and Seventh day Adventist students. Please contact the test coordinator to arrange to write the test on an alternative day.

Please take a pencil and eraser with you when you write the tests.

Important information: Extra writing time

Students with disabilities and students who have officially been granted additional writing time must please contact the test coordinator **no later than Wednesday 21 January 17:00**. Please send the following to the coordinator via email: the student's name and student number, the letter from the Department of Education or the IEB that the student used in their matric exams for extra time (also indicating how much extra time), and the report or letter from the medical practitioner that explains the reason for the extra time. These students will then write in a different venue than indicated above. Arrangements regarding extra writing time that are made with the test coordinator are valid for the Language Placement Tests only. Applications for extra writing time during tests and exams require a separate application process. For extra writing time during tests and exams, go to www.mymaties.com after registration in 2015, select Studies and then Exam and Test Information to download the application forms for extra writing time. Send the completed and signed application to skryftyd@sun.ac.za. If you have any questions, send an email to skryftyd@sun. ac.za for further information.

Test coordinator: Zaan Bester, e-mail zbester@sun.ac.za tel 021 808 2695

LIBRARY AND INFORMATION SERVICE

The SU Library and Information Service offers an orientation programme in the central library (JS Gericke) and branch libraries. The programme in the JS Gericke Library (no 4 on the map) takes place on **26, 27 and 28 January**. Library orientation is arranged in accordance with the faculty and is aimed at introducing new students to the services and facilities there-of. Faculty programmes indicate the dates and times of library visits. Participants in the orientation programme also stand a chance to win exciting prizes.

More information is available in the comprehensive programme which students receive in January.

Apart from the JS Gericke Library, orientation programmes are also presented at the following branch libraries: Theology; Music; Engineering and Forestry; Medical & Health Sciences as well as the Bellville Park campus library. The orientation programme will be followed up with individual training called GetSmart@URLibrary in the subsequent week.

MATIES SPORT

 matiessport@sun.ac.za / 021 808 4642 / www.sun.ac.za/sport

MENTORS

Mentors are senior students who are appointed in residences and PSO's to assist new students with their adjustment to university life. Each new student should have access to a mentor. The mentor already plays an important role during the welcoming period with general assistance regarding university life queries and psychosocial support. Through the mentor, the new students have the opportunity to partake in the Wellness programme of the University, which aims to enhance the wellness of students throughout the year. When you arrive at your residence or PSO, a mentor should be allocated to you. Should you not be allocated a mentor, or have any queries, please contact Client Services at tel 021 808 9111 or info@sun.ac.za.

NATIONAL BENCHMARK TESTS (NBTs)

It is **compulsory** for all prospective first-year students at SU, regardless of the matriculation year or examination system followed, to write the National Benchmark Tests. For all NBT-related detail and reservations, please visit the official NBT website at www.nbt.ac.za. If you have not yet written the NBTs by the **last official test session on 10 January** you can contact the Centre for Student Recruitment at maties@sun.ac.za or tel 021 808 2923 to make an appointment to take the NBTs on **Wednesday 21 January** in Stellenbosch.

PARKING, APPLICATION FOR PARKING AND TRANSPORT

Transport Bicycles

- Rent a Matie bike or bring your own bicycle to campus.
- Register your bicycle free of charge with Campus Security (in order to get access to safe bicycle sheds and to help find the owners of stolen bicycles).

Campus Shuttle Service

• See the SU website for the specific routes and times of the service.

Parking

- The various types of parking on university grounds and the associated costs are available on the SU webpage at http://www0.sun.ac.za/sustainability/pages/english/home.php.
- Students will be able to apply for parking and register their vehicles during student registration. Please note that a successful application does not guarantee a specific parking bay.
- The annual parking levy will be debited against the student's account.
- Students must note that application for access to parking can be done electronically throughout the year. Allocations in terms of reserved parking at residences and other SU housing, however, take place once-off at the beginning of the year based on applications received as well as the specific allocation criteria of the residences and SU housing.
- Only registered vehicles may be parked on university grounds.

Enquiries SU Client Services, tel 021 808 9111

POSTGRADUATE AND INTERNATIONAL STUDENTS

The welcoming and orientation programme for international students takes place from **20 to 22 January** in Room 1001, RW Wilcocks building, c/o Victoria & Ryneveld Streets (no 71 on the map). The Welcome Centre will be open from **14 until 23 January**. All incoming international students should please report to the Welcome Centre at the RW Wilcocks building (in front of Room 1012).

For more information, contact Werner de Wit, tel +27 (0)21 808 9002 or email wdw@sun.ac.za. Or visit the website at www.sun.ac.za/international for a detailed programme.

All international undergraduate first-years that have been enrolled for a full degree programme at the University follow the same welcoming programme as their South African peers.

PSO STUDENTS OLDER THAN 25

Entering campus as an older PSO-student and to become part of a younger, undergraduate student population can be challenging. It is sometimes problematic to really become a part of the necessary support networks, to partake in the welcoming programmes aimed at a younger student profile and to find mentors. An informal function is taking place from **13:00 – 14:00 on Friday 23 January** in the quad of the Visual Arts building (no 63 on the map), where you will be able to meet other older students, can engage with PSO role players and where the basic services will be introduced to you. An email invitation will be sent to all PSO-students older than 25. Any other queries can be directed to Dr Munita Dunn at mdunn@sun.ac.za.

PSO TRANSPORT SERVICE AND ACCOMMODATION DURING WELCOMING

Students who are not living in residences and are allocated to Private Student Organisations (PSO's) are encouraged to take part in the welcoming programme of their specific PSO. As the programmes end in the evening, a free transport service is available to all PSO students to ensure they get home safely. The transport service leaves at 21:00 and 22:00 from Campus Security in Merriman Avenue and will get students safely to their homes in Stellenbosch and specifically indicated drop-off points in surrounding areas. The drop-off points where students will be taken to, are the following: the SAPS-offices at Bellville, Athlone, Mitchells Plain, Paarl, Kuilsriver and Somerset West, as well as Brent Oil in Idas Valley, the Engen garage in Cloetesville and the security gate at Welgevonden (Stellenbosch). Students must please indicate beforehand, by 9 January, whether they would be using this service, as well as indicate the specific drop-off point. Please let your House Committee or Albert Coetzee at albertcoetzee@sun.ac.za know.

There will also be sleepover facilities in the PSO Clubhouse for students who are not able to go home for an evening. The House Committee of the specific PSO will be able to provide you as a student with more information about this service. Any other queries can be directed to Albert Coetzee on albertcoetzee@sun.ac.za.

SOCIETIES

The University's student societies have something to offer for everyone – from dancing to debating, from churches to community interaction. So, have a look in the back of the Matie Diary or go to www.sun.ac.za/societies to find out more.

Remember to visit the Societies Fair on **Saturday 24 January.** Read more about the fair in the complete programme which all new students receive upon their arrival on campus.

SPECIAL LEARNING NEEDS (DISABILITIES)

Information session for students with Special Learning Needs (Disabilities) and their parents

Students who have diagnosed disabilities, for example a diagnosed reading disorder or visual disability, or who may need extra writing time based on other diagnosed conditions, are invited to attend this information session to determine what support is available at the University during their studies.

This **excludes** the National Benchmarking Tests (contact www.nbt.ac.za or 021 650 3523) and the University's compulsory Language Placement Tests (contact Ms Zaan Bester at zbester@sun.ac.za or tel 021 808 2695).

Stellenbosch students and their parents

- Date Thursday 22 January, 12:30 15:00 (walk-in session)
- Venue Room 357 (3rd floor), Arts and Social Sciences Building, corner of Merriman Avenue and Ryneveld Street

Extra writing time (Stellenbosch campus)

- Note The cut-off dates for applications for extra writing time for tests and examinations are:
 - I May (for June examination)
 - I October (for November examination)
- Enquiries Examination Office, Admin A (no I on the map), tel 021 808 9111 or email skryftyd@sun.ac.za. Application forms are available at www.mymaties.com (exam and test information).

${\cal P}$ wellness of all students

The University follows a student-centred approach, with a special focus on the wellness of all students. One of the many structures that have been put in place to assist with this (in close collaboration with the entire University) is the Centre for Student Counselling and Development (CSCD). The Centre is located at 37 Victoria Street, Stellenbosch (no 8 on the map), and on the Tygerberg campus on the 3rd floor of the Tygerberg Student Centre (no 10 on the map). Students and parents are encouraged to visit the website and take note of all the services provided: http://www.sun.ac.za/counselling.

Some of the help and support includes the following:

- Study methods
- Time management
- Stress management
- Trauma management
- Personal psychotherapy
- Career development
- Academic underachievement
- Developmental workshops
- Specific support to students with Special Learning Needs (Disabilities)

Student accommodation in Stellenbosch

Bachelor, 1, 2 and 3 bedroom apartments to rent or to buy

Maties should take the same safety precautions in

Stellenbosch than elsewhere in South Africa. Thousands of mobile phones, computers and vehicles attract criminals.

STips

- Never walk alone, especially not at night
- Keep your phone and valuables out of sight
- · Carry a whistle or pepper spray at all times
- · Power outages are unpredictable: carry a torch
- · Choose the safest route, even if it is not the shortest
- · Avoid isolated areas when you exercise
- · Be alert! Look around you and peel your eyes and ears
- · Keep a safe distance if motorist asks for directions
- · If something looks suspect, change direction
- · Be a caring Matie: accompany a friend
- Property on a car seat is tempting to a thief. Lock it in the boot.

Safety Escort at night: Ilf you need to move between campus buildings, or from a building to your car after dark (20:00 – 05:00), a security officer will escort you. Call 021 808 4666 and wait for the officer to join you.

Safest routes: Bosman and Victoria streets are the safest routes. At night a security officer is on duty in the mobile security kiosk on the Dagbreek corner.

EMERGENCY NUMBERS (save these numbers on your mobile phone) Stellenbosch campus 24-hour emergency number: 021 808 2333 Enquiries/reporting/safety escort: 021 808 4666 Tygerberg campus 24-hour emergency number: 021 938 9507

www.sun.ac.za/safety

TAKE YOUR SAFETY SERIOUSLY

Shuttle service: On week days the shuttle service runs on the hour from the periphery to central campus. At night the shuttle service runs on the hour from 18:00 to 02:00 from the parking area between the Neelsie Student Centre and the Merensky building. The buses run up to a 6 kilometre radius from the central campus. This service is available from Monday to Sunday during class and exam periods. You need your student card to make use of this service and from 2015 a trip rate may be applicable. Check the safety website for updates.

| www.annabasson.co.za | Web Ref : 8046

he Matie campus is \mbox{GREEN} – and as a new Matie you are now part of the \mbox{GREEN} team!

^LOne of Stellenbosch University's (SU) major focuses is a sustainable university and campus, and staff and students all work together to promote this aim.

So, new Matie, we need your assistance to help conserve your beautiful campus. You can make a difference and become part of the green generation! See below for what you can and must do to contribute to an environmentally friendly and greener campus ...

Transport (mobility)

To get from point A to point B in a green way, you have the following options:

Walking: Walk to where you want to be. Safe pedestrian routes bring you from town or the campus periphery to central campus.

Cycling: Rent a Matie bike or bring your own and cycle to where you want to be.

Campus shuttle bus: Travel with the campus shuttle bus along specific routes from the campus periphery to central campus.

Lift clubs: Rather club together than using your own transport. Join *Findalift*, a private and free on-line service providing Maties with safe lifts. Register on *Findalift*'s closed website and find a lift with someone travelling the same route as you.

Parking on campus: Do not assume you will be able to park your wheels on campus. Rather use another transport option than driving with your own car.

Recycling

Do not just throw away papers, tins or bottles. Think of recycling and make your contribution by recycling waste material. This way you will be helping to promote a greener campus.

At residences

Systems are in place at residences to sort waste material for recycling. Put your recyclable, non-recyclable and food/ compost waste in the specially marked containers. Make sure that your tins and bottles are empty before you put them in the container for dry waste.

On campus

Clearly marked bins for recyclable, non-recyclable and food/

compost waste respectively have been placed at many locations on the Stellenbosch, Tygerberg and Bellville Park campuses. Placing your waste products in the correct bins as indicated, makes the sorting process for recycling easier.

Water

Water is a scarce resource and must be conserved. Here is what you can do to save water ...

- Drink tap water. Three to five litres of tap water are used to produce one litre of bottled water. Bottled water therefore wastes water, generates plastic waste products and has a higher carbon footprint.
- Cut down on your shower time or bath in less water.
- Be on the lookout for the water stations on campus with their special branding. Bring your own water bottle and fill it up at the water station. And use the same bottle the next day to fill up.
- Water-saving shower nozzles have been installed at residences.
- Report leaking taps and irrigation to the Facilities Management helpline on 021 808 4666.

Energy

From the time that you open your eyes in the morning until you switch off your lights at night, you can make a difference to save energy. Here is what you can do ...

- Switch off lights when you leave the room.
- Switch off your computer, printer, scanner and other similar devices if not in use.
- Switch off your cell phone or computer's cordless capacity and Bluetooth if not in use to save your battery's lifetime. Cordless devices use more energy when searching for connections all the time.
- Remove your power connection plug (e.g. cell phone charger) from the wall socket if not in use. It consumes energy when plugged in.
- Rather climb the stairs than using lifts.
- If possible, use natural daylight and do not switch on the lights unnecessarily.
- If you want to keep the room cool, close the curtains or blinds.
- Read documents on your computer screen and do not print them unnecessarily.
- Switch off your computer monitor if not in use.

we offer the following services :

- we open accounts for students •
- claim from most medical aid funds
 - health shop free delivery
 - primary health care clinic • open 7 days a week

- expert knowledge and advice
- day spa for beauty treatments
- wide variety sports supplements

we also have 3 other pharmacy branches in stellenbosch :

die boord pharmacy - tel : (021) 887 9400 (for after hours service) stellenbosch square pharmacy - (021) 880 2189 medi-health pharmacy - (021) 883 2360

prescriptions can be made up at any of these branches (linked pharmacy profiles)

CHAMPYONS WEARLYTH SERVICE CHS offers INTEGRATED SERVICE

The Stellenbosch University Campus Health Service (CHS) offers an integrated and accessible health service for students and staff and has an equipped pharmacy for this service. CHS supports the wellness initiative for students and personnel and are provided at the Stellenbosch and Tygerberg campuses.

QUICK QUESTIONS ABOUT CHS

Is this service free?

Services delivered by our professional medical officers and physiotherapists are charged at the minimum ethical tariff. All services delivered by our professional nurse practitioners are free of charge, excluding any medication that is given.

How are services paid for?

We are a registered provider of all medical aids in South Africa and Namibia and all accounts are sent electronically. We accept cash/cheque payments as well.

Does CHS cover all medical services (e.g. X-rays and Dentistry)?

We have professional medical officers, physiotherapists and nurse practitioners. All other services are referred to.

Must I be immunised?

Being up to date with all vaccinations is an important consideration for all students (especially first years living in residences). The following vaccinations are all optional, but highly recommended:

- Influenza (flu) annual vaccination
- Meningitis one injection every 3 years
- Measles, Mumps and Rubella (German Measles) if non-immune, series of 2 vaccines, I year apart
- Hepatitis A and B compulsory in Health Sciences; combination (Twinrix) available, series of 3 vaccines over 6 months
- Human Papilloma Virus series of 3 vaccines over 6 months

All vaccines are available at CHS and prices are available upon request. Please check with your Medical Aid if they pay for vaccinations.

Does CHS offer counselling?

We offer counselling to patients who come for specific screening/ test e.g. HIV testing and family planning. Other counselling is given by the Centre for Student Counselling and Development (CSCD). Their contact number is 021 808 4707.

Is patient transport available?

We offer transport to patients in the confines of the campus. The patient can contact us for this service.

How do I make an appointment?

Appointments can be made by contacting us on the numbers below or contacting us via social media (Facebook, Twitter) or our website.

What if I have an emergency?

We can be contacted on the numbers below during office hours. For after-hours emergencies the following numbers can be contacted:

- Stellenbosch Medi-Clinic, tel 021 886 9999 or 021 861 2000
- SU 24-Hour Crisis line, tel 082 557 0880
- Contraception helpline, tel 0800 246 432
- HIV Helpline, tel 0860 HIV 911

For more information go to:

- · Website: www.sun.ac.za/kampusgesondheid
- Facebook: www.facebook.com/Stellenbosch.University.CHS
- Twitter: @CampusHealth_SU

All our practices are open from Monday to Friday between 08:00 – 17:00

- Physiotherapists (next to the gymnasium in the Sport Science building (no 84 on the map)) tel 021 808 3392
- Stellenbosch clinic (7 Claassen Street (no 16 on the map)) – tel 021 808 3496/3494
- Tygerberg clinic (3rd Floor, Tygerberg Student Centre (no 10 on the map)) – tel 021 938 9590

22-31 January Tygerberg Campus

WELCOMING PROGRAMME for New Students and their Parents

PARENTS MEET THE DEAM

Parents meet the DEAN (including students)

Parents and new students in MB, ChB, BSc in Physiotherapy, and BSc in Dietetics

08:30 – 10:00 Dean, Prof Jimmy Volmink

Venue Tygerberg Sports Hall (no 10 on the map), Tygerberg campus

See the programme of the Faculty of Medicine and Health Sciences on p $45\,$

Parents and new students in B of Occupational Therapy and B of Speech-Language and Hearing Therapy

- 15:00 16:00 Executive Head: Interdisciplinary Health Sciences, Prof Usuf Chikte
- Venue Lecture Hall 201, Sports Science building (no 84 on the map), Stellenbosch (at Coetzenburg, behind Danie Craven stadium)

OUTLINE AND PROGRAMME for TYGERBERG Campus' Welcoming Programme

> Important for both parents and students to read

22 – 31 January

All new students and their parents (MB, ChB, BSc in Physiotherapy, and BSc in Dietetics) are cordially invited to participate in the following activities (for parents, only Thursday 22 January).

TAKE NOTE: Students in the programmes B of Speech-Language and Hearing Therapy and B of Occupational Therapy, together with their parents, follow the programme of the Faculty of Arts and Social Sciences on the Stellenbosch campus, unless indicated otherwise.

Please note that the welcoming ceremony at 18:00 (informal programme for students starts at 17:00) on Thursday 22 January takes place at Danie Craven Stadium in Stellenbosch, and not on Tygerberg campus. New Tygerberg campus students and their parents are requested to attend this programme after the day's programme at Tygerberg campus. For those who do not have their own transport, busses will be arranged from Tygerberg campus to Stellenbosch, and back.

Enquiries

Ronel Retief, tel 021 938 9379 Liezel Marais, tel 021 938 9533 Mandi Barnard, tel 021 938 9505

THURSDAY 22 JANUARY

08:30 - 10:00	Welcoming of parents and first-year students by the Dean: Faculty of Medicine and Health Sciences, the Tygerberg Student Council chairperson and other role players in the Faculty
Venue	Tygerberg Sports Hall (no 10 on the map)
10:00 - 11:00	Meeting of parents and new students with programme coordinators for MB, ChB, BSc in Physiotherapy, and BSc in Dietetics respectively
Venue	MB, ChB: Lecture Hall II / Physiotherapy: Lecture Hall 4 / Dietetics: Lecture Hall I, Education Building (no 2 on the map)

Visit the student societies' food stalls between 11:30 and 14:00 if you are not involved in any of the sessions below. Please also visit the cafeteria in the Tygerberg Student Centre or the coffee shop in the Clinical Building for refreshments or a light meal.

11:00 - 12:00	Explore Tygerberg – a campus tour for first-year students
11:00 - 12:00	Explore Tygerberg – a campus tour for first-year students of Hippokrates and Meerhoff, and their parents
Venue	Assemble on the Hippokrates lawn (no 4 on the map)
11:00 - 12:00	Osler* students and their parents meet Osler committee members
Venue	Lecture Hall 11, Education Building
12:00 - 13:00	Explore Tygerberg – a campus tour for first-year students of Huis Francie van Zijl and Huis Kerkenberg, and their parents
Venue	Assemble on the Hippokrates lawn
13:00 - 14:00	Explore Tygerberg – a campus tour for first-year students of Osler, and their parents
Venue	Assemble on the Hippokrates lawn
14:00 - 15:00	Session on student support at Tygerberg campus for parents of first-year students
Venue	Lecture Hall 11, Education Building
14:00 - 15:00	Introduction of student societies to first-year students
Venue	Tygerberg Sports Hall
15:00	Busses depart for Danie Craven Stadium
17:00 - 18:00	Dream Launch
18:00 - 19:00	OFFICIAL WELCOMING
	Welcoming of new students and their parents (compulsory for all students)

Venue

Danie Craven stadium (no 33 on the Stellenbosch campus map)

If you are using your own transport, please take the traffic congestion in Stellenbosch into account when planning travelling time, as well as parking and walking distance to the stadium. Comfortable clothes and shoes are recommended (see p 9 for more information).

*Osler refers to the private students' ward on Tygerberg campus, i.e. students who do not live in residences

FRIDAY 23 JANUARY

09:00 - 11:00	Registration (only those first-year students who could not self-register via http://www.mymaties.com) and taking of photographs for student cards
09:00 - 09:30	Huis Francie van Zijl
09:30 - 10:00	Huis Kerkenberg and Meerhoff
10:00 - 10:30	Hippokrates
10:30 - 11:00	Osler
Venue	GERGA, 3rd floor, Education Building
12:00 - 16:00	GERGA orientation (compulsory)
12:00 - 12:45	Huis Kerkenberg and Meerhoff
13:00 - 13:45	Huis Francie van Zijl
14:00 - 14:45	Osler
15:00 - 15:45	Hippokrates
Venue	GERGA, 3rd floor, Education Building

Please note: It is highly recommended that all students on Tygerberg campus provide their own electronic devices (e.g. laptops or tablets) for academic purposes, including

assessments. For more information on the Bring-Your-Own-Device (BYOD) system please visit http://blogs.sun.ac.za/fhscua/byod-guide.

14:00 – 16:00 Registration of new first-year students for the B of Occupational Therapy and Speech-Language and Hearing Therapy programmes who cannot self-register

Venue Room 3008 (office of Ms Z Jansen), Administration A (no I on the Stellenbosch campus map), Stellenbosch

Please note: The following is only an outline of the rest of the programme. All new students will receive the comprehensive welcoming programme upon arrival on campus in January.

SATURDAY 24 JANUARY

General and social integration as arranged by residences and PSO wards

MONDAY 26 JANUARY

08:00 - 16:00	Academic orientation
Venue	Lecture Hall II, Education Building
16:30 - 18:00	Academic Administration
Venue	Lecture Hall 4 and 11, Education Building

TUESDAY 27 JANUARY

General and social integration as arranged by residences and PSO ward

WEDNESDAY 28 JANUARY

08:00 - 08:45	Information session for Recruitment
	Bursary students
Venue	Lecture Hall 11, Education Building

09:00 - 12:00	Compulsory Language Placement Tests
Venue	Main Lecture Hall and Lecture Hall 7,
	Education Building
09:00 - 16:00	Compulsory session for B of
	Occupational Therapy students
Venue	Room 1018, Occupational Therapy,
	Education Building
13:30 - 16:30	What first years should know – an
	interactive learning experience
Venue	Tygerberg Sports Hall

THURSDAY 29 JANUARY

09:00 - 12:00 Community interaction and development (participation in various activities and projects in the community by students and staff)

FRIDAY 30 JANUARY

18:00 – 23:00 "Vensters" street theatre

SATURDAY 31 JANUARY

Closure function of clusters and residences as arranged

OFFICIAL WELCOMING PROGRAMME FOR NEW STUDENTS ENDS

MONDAY 2 FEBRUARY

Official commencement of classes for new students

TWO OPTIONS to register as student

There are two different options available for you to officially register as a student of Stellenbosch University in January 2015, namely self-registration (e-registration), or by using the registration process in GERGA at Tygerberg campus for students in the Faculty of Medicine and Health Sciences, that takes place during the welcoming programme according to a fixed schedule.

It is important that you consult the notice on registration that will be sent to you separately by the Registrar of the University, as all the information that you need to decide whether you want to register yourself, or whether you rather want to register in GERGA during the welcoming programme, will be given in the notice. All the necessary dates, times, documentation required and other important information will be contained in the notice. The system for self-registration will be accessible from 14 to 29 January. If you have done the National Senior Certificate or the IEB-certificate, you will be able to register yourself. Candidates from other school systems cannot self-register.

Self-registration can be done from any computer with access to internet on www.mymaties.com. We wish to urge you to use this option, as you will know before leaving for Tygerberg whether you meet the admission requirements of the study programme to which you were provisionally admitted and, if so, that you were finally accepted and registered as student. You will then just have to acquire your student card in the time slot determined for your registration in GERGA. It is, however, important that you attend the full welcoming programme

If you cannot or do not want to register yourself, you must ensure that you report for registration on Friday 23 January Please note that first year students who have not registered on these dates and who have not obtained special permission to register late, will be charged a levy of R500.

If you do not register yourself, it is your responsibility to ensure that you comply with all the admission requirements of your study programme before you leave for Tygerberg. If you are going to register in GERGA, you must show the following original documents when you report for registration in the allotted time slot:

- 1. Advice of Results of the 2014 NSC or IEB final schoolleaving examination.
- 2. NSC or IEB candidates who matriculated in 2013 or earlier: National Senior Certificate.
- 3. Candidates from other school systems: School-leaving certificate/s and certificate of university exemption issued by the SA Matriculation Board.
- Candidates who studied at other universities: The documents mentioned in 2 or 3 as well as a full academic record and a certificate of good conduct issued by the university concerned.
- 5. If you are not a South African citizen: a valid study permit.

All new first-year students for the BSc in Dietetics, BSc in Physiotherapy and MB, ChB programmes who cannot selfregister will thus register on Friday 23 January in the computer user area (GERGA), 3rd floor, Education Building (no 2 on the map), Tygerberg campus (see table below).

New first-year students for the B of Occupational Therapy and B of Speech-Language and Hearing Therapy programmes who cannot self-register will register at the Stellenbosch campus on Friday 23 January between 14:00 and 16:00 in room 3008, Administration A (no I on the map), office of Ms Zenda Jansen.

Date and time of registration which involves (only BSc in dietetics I, BSc in Physiotherapy I and MB, ChB I students who cannot self-register):

Registration - Friday 23 January

RESIDENCES	TIME
Huis Francie van Zyl	09:00 - 09:30
Huis Kerkenberg and Meerhoff	09:30 - 10:00
Hippokrates	10:00 - 10:30
Osler (Private Students' Ward)	10:30 - 11:00

general information (Tygerberg Campus)

"During the past few years the language placement tests (for Afrikaans and English) were written as part of a battery of tests written by all prospective students. From 2013 these tests are administered separately as part of the welcoming programme for new students. As in the past, all new students should write these tests. This strategy forms an integral part of the University's language planning and is essential (a) to annually form a general idea of the language skills of our students, and to gather information that would inform strategic language planning, and (b) to support the placement of students in different language modules and other language support mechanisms in the relevant faculties. It is particularly important to keep in mind that school results in language subjects do not provide reliable information to measure the linguistic preparedness of students."

– Prof Arnold Schoonwinkel:Vice-Rector (Learning & Teaching)

Wednesday 28 January 09:00 - 12:00

Faculty of Medicine and Health Sciences students write in the Main lecture hall, Tygerberg Campus

Important: Please take a pencil and eraser with you when you write the tests.

Extra writing time: Students with disabilities and students who have officially been granted additional writing time must please contact the test coordinator no later than Wednesday 21 January 17:00. Please send the following to the coordinator via email: the student's name and student number, the letter from the Department of Education or the IEB that the student used in their matric exams for extra time (also indicating how much extra time), and the report or letter from the medical practitioner that explains the reason for the extra time. These students will then write in a different venue than indicated above.

Important concerning extra writing time: Arrangements regarding extra writing time that are made with the test coordinator are valid for the Language Placement Tests only. Applications for extra writing time during tests and exams require a separate application process. For extra writing time during tests and exams,

go to www.mymaties.com after registration in 2015, select Studies and then Exam and Test Information to download the application forms for extra writing time. Send the completed and signed application to skryftyd@sun.ac.za. If you have any questions, send an email to skryftyd@sun.ac.za for further information.

Test coordinator: Zaan Bester, e-mail zbester@sun.ac.za tel 021 808 2695

EXTENDED DEGREE PROGRAMMES (EDP)

PLEASE NOTE: For more information ONLY about the Extended Degree Programmes, please contact Dr Alwyn Louw, ajnlouw@sun.ac.za, tel 021 938 9389

Registration:

Students who are following an Extended Degree Programme register in faculty context on Friday 23 January. (Please consult the notices on registration that will be sent to you separately by the University Registrar.)

PARKING AND APPLICATION FOR PARKING

- The various types of parking on university grounds and the associated costs are available on the SU webpage at http://www0.sun.ac.za/sustainability/pages/english/home.php.
- Students will be able to apply for parking and register their vehicles during student registration. Please note that a successful application does not guarantee a specific parking bay.
- The annual parking levy will be debited against the student's account.
- Students must note that application for access to parking can be done electronically throughout the year. Allocations in terms of reserved parking at residences and other SU housing, however, take place once-off at the beginning of the year based on applications received as well as the specific allocation criteria of the residences and SU housing.
- Only registered vehicles may be parked on university grounds.

First-year camps

Various student societies, including religious affiliations, offer a variety of camps for first-year students just before Stellenbosch University's official welcoming programme commences in January 2015. These camps do not form part of the institutional welcoming programme of SU, but are offered by registered student societies. As a prospective student you should familiarise yourself with the objectives and values of the various student societies before enrolling for a first-year camp.

"JOU KAARTJIE NA SUKSESVOLLE STUDENTWEES!"

4 EASY STEPS TO SUPPORT STELLENBOSCH UNIVERSITY

Students and parents can now support Stellenbosch University (SU) without it costing you a sent. Swipe your *MySchool* card whenever you shop at any of the participating retailers nationwide and a percentage of the transaction will be donated to SU.

My School / MyVillage / MyPlanet is South Africa's biggest community support programme which raises funds for schools and other organisations to improve education and social development.

How does it work?

- 1. Get a free card online or simply phone 0860 100 445. You can also get a card at any Woolworths store.
- 2. Nominate Stellenbosch University as your beneficiary.
- 3. Swipe your card whenever you make a purchase at any partner store (these include Woolworths, Engen Quikshops, Toys R Us, Waltons, Reggie's, kalahari. com, Power24 and many more).
- 4. The partner will donate a percentage of your purchases to your beneficiary!

As an added bonus you will receive exclusive discounts and special offers from selected partners, such as WRewards at Woolworths. You will also receive monthly statements via email showing your transactions and how much has been raised for your beneficiary.

For more information visit www.myschool.co.za or send an e-mail to Client Services at cs@myschool.co.za or call 0860 100 445.

4 MAKLIKE STAPPE OM UNIVERSITEIT STELLENBOSCH TE ONDERSTEUN

Studente en ouers kan die Universiteit Stellenbosch (US) ondersteun sonder dat dit jou 'n sent kos. Gebruik jou *MySchool*-kaart wanneer jy inkopies doen by enige van verskeie deelnemende kleinhandelaars landwyd en 'n persentasie van jou aankope sal aan die US geskenk word.

MySchool/MyVillage/MyPlanet is Suid-Afrika se grootste gemeenskapsondersteuningsprogram wat fondse insamel vir skole en ander organisasies en sodoende opvoedkundige en maatskaplike ontwikkeling bevorder.

Hoe werk dit?

- 1. Kry 'n gratis kaart aanlyn of skakel 0860 100 445. Jy kan ook by enige Woolworths-winkel 'n kaart kry.
- 2. Nomineer die Universiteit Stellenbosch as jou begunstigde.
- 3. Gebruik jou kaart wanneer jy aankope doen by onder meer Woolworths, Engen Quickshops, Toys R Us, Waltons, Reggie's, kalahari.com en Power24.
- 4. Die vennoot sal 'n persentasie van jou transaksie aan jou begunstigde skenk.

Boonop sal jy eksklusiewe afslag en spesiale aanbiedings ontvang van uitgesoekte vennote soos \mathbf{W} Rewards by Woolworhts. Jy sal ook 'n maandelikse staat per e-pos ontvang wat jou op hoogte hou van jou inkopies en hoeveel daar vir die US ingesamel is.

Vir meer inligting besoek www.myschool.co.za of stuur 'n e-pos na cs@myschool.co.za of skakel 0860 100 445.
